

2025 Champions Open & CMA International Training Camp X

Dear Coaches, Athletes, and Families,

On behalf of Team Champions USA, it is our honor to welcome you to the 2025 Champions Open Competition and CMA International Training Seminar X – We are thrilled to host this exciting weekend on November 8–10, 2025, bringing together athletes, coaches, and families from around the World.

Champions Open is more than just a competition—it is a celebration of skill, dedication, and the spirit of martial arts. Over the course of three days, athletes of all levels will showcase their hard work and passion, while families, friends, and teams join together to support and inspire one another.

Whether you're competing in the tournament, joining our world-class training camp, or doing both — get ready for an unforgettable weekend! We have incredible athletes from around the world and an elite training camp staff ready to bring the energy.

We are grateful to every coach for your commitment to developing strong, disciplined athletes, and to every family for the encouragement and support you provide behind the scenes. Most importantly, we applaud all of the competitors who have trained tirelessly to be here—your effort, respect, and perseverance truly embody the values of martial arts.

As you step onto the mats, remember that every match is an opportunity to grow, to challenge yourself, and to represent the best version of who you are. Win or lose, the true victory lies in the lessons you take with you.

In 2024, we gave over \$4000 in athlete scholarships for winners in the World Class Cadet, Junior & Senior Black Belt Divisions. We look forward to providing more scholarships this year for winners.

This will be an unforgettable weekend filled with energy, teamwork, and the powerful spirit of competition. Thank you for being part of the Champions Open International — together, we will make this year's event our best one yet!

With respect,

Master Andrew Oh Tournament Director
