Did you know?
According to a 2023 research study on Catholic Media by Georgetown University,
90% of weekly church service attendees read their church's bulletin.
Often in Print Only (46%)
61% of responders had read their church's bulletin in 3 months prior to being interviewed
25% read their bulletin only in print.
11% read both print and online versions.
40% of those who attended a church service a few times a year or less often read their bulletin in print and online.
