Bishop's Stewardship Appeal

for the Diocese of Corpus Christi

2026

One Body of Christ, Together Sent to Serve

We have kicked off the 2026 Bishop's Stewardship Appeal here at St. George last weekend, and already we are meeting our goal of \$26,633.00. As of May 1, 2026, 26 of our families have donated a total of \$5,111. Thank you to everyone who has made this possible. If you were unable to take the opportunity these past few weekends to make your donation, please take time this weekend. We still have envelopes in the pews, or you can make your donation online by scanning the QR code.

Together, as Catholics across the Diocese, let's all continue to make a difference as this year's appeal helps many diocesan ministries. Thousands of people will be helped because of you.

11th Sunday in Ordinary Time – A Holy Nation

Today's readings remind us of our need to share our gift of faith in Jesus Christ with others. We are also reminded once again that we are a "kingdom of priests, a holy nation." St. Francis de Sales, particularly, reminded Christians that they are all called to holiness, which entails a relationship with God and our neighbor. But the call to holiness has a diversity of expressions while preserving the unity of doctrine in the Church. Francis writes:

There was a famous Greek flower arranger whose name was Glycera. She was very skillful at arranging flowers in a variety of ways. Out of the same flowers she made so many different kinds of bouquets that a well-known Greek painter, who wished to portray her different arrangements, was unable to do so. He could not vary his paintings in as many ways as Glycera did her bouquets. In like manner the Holy Spirit disposes and orders in many different ways devout instructions to us through the tongues and pens of God's servants. Although the doctrine is always the same, statements of it differ greatly according to the various ways in which their books are composed.

The flowers I present to you, my reader, are the same. The bouquet I have made out of previous writers differs from others because it has been framed in a different order and way. My purpose is to instruct those who live in town, within families, and by their state of life are obliged to live an ordinary life as to outward appearances.

Frequently, on the pretext of some supposed impossibility, these people will not even think of undertaking a holy life. It is their opinion that just as no animal dares to taste certain herbs, so no one should aspire to Christian holiness as long as they are living under the pressure of worldly affairs. But just as the mother of pearl fish lives in the sea without taking in a single drop of salt water and just as the firefly passes through flames without burning its wings, so also a strong, resolute soul can live in the world without being infected by any of its moods, find sweet springs of holiness amid its salty waves and fly through the flames of earthly lusts without burning the wings of its holy desires for a holy life. True this is a difficult task. But it is labor that refreshes and revives the heart.

JUNE: Month of the Sacred Heart of Jesus

Key Catholic Feast Days in June

In addition to the **Solemnity of the Sacred Heart of Jesus**, there are several other related feasts in June.

The Feast of Corpus Christi was celebrated on June 7th. It is also known as the Solemnity of the Most Holy Body and Blood of Christ, honoring the Real Presence of the Body and Blood of Jesus Christ in the Eucharist. This Solemnity further confirms Our Lord's divine humanity. Many Catholic prayers refer to Our Lord's Sacred Heart in the *Most Holy Sacrament of the Altar*. Our Lord's Heart is inseparable from His body that we adore and receive in the Holy Eucharist. A signal blessing of God regarding the reality of His Sacred Heart in the Most Blessed Sacrament is given in the scientific studies of the Eucharistic miracles around the world. These secular investigations of bleeding consecrated Hosts have revealed that the living flesh in the Blessed Sacrament is made of the cells of the human heart.

The Feast of the Immaculate Heart of Mary is celebrated on the Saturday following the Feast of the Sacred Heart of Jesus on June 12th. The two Hearts of Jesus and Mary are loved and venerated by the faithful as inseparable in their sacrifice and love for the divine will and the salvation of humanity. Mary loved the Blessed Trinity with perfect resignation and devotion. She is our pattern of fidelity to the Sacred Heart.

The Feast of St. Anthony of Padua on June 13th honors the saint known as the Wonderworker and the Hammer of Heretics. Saint Anthony excelled at preaching the Gospel to all who would listen. It is reported that when men would not hear him, he preached to the animal world – all of which miraculously stood or knelt attentively as the saint spoke to them of the love of God. Saint Anthony had a particular devotion to the heart of the Christ Child and said, *"If we seek gold, pure and unalloyed, we must approach the interior altar, the very Heart of Jesus and there study the untold riches of His love."*

GUIDELINES FOR RECEIVING THE HOLY EUCHARIST

Love Jesus in the Mass

The law of the Church says that one should fast for 1 hour before receiving Holy Communion. (Water and medicine can be consumed any time.) This is to prepare to receive Jesus in the Eucharist

Bear in mind that in each Holy Mass Jesus is Present as He was in the Last Supper

Reverently & Joyfully partake in the Body of Christ

Bow before receiving Holy Communion. Show your respect with a bow of the head or genuflection, and say an 'Amen'

Chewing gum in church is not appropriate. Chewing gum breaks your fast, and is considered impolite in a formal setting

After Communion, kneel and dialogue with Jesus
