## DAY EXCURSION

### Miserden Gardens, Stroud – Thursday 23rd July 2026

Join us for a relaxed and beautiful summer day out as we visit the stunning gardens at Miserden, nestled in the heart of the Cotswolds near Stroud. This special outing has been planned with a later start and just one visit, allowing plenty of time to enjoy the gardens at a gentle pace.

Miserden is one of the finest Arts and Crafts gardens in the Cotswolds, set within a picturesque estate surrounded by rolling countryside. The gardens feature a harmonious blend of formal design and natural planting, with long herbaceous borders, stone terraces, parterre gardens, rose walks, an arboretum, and sweeping views across the valley. In July, the gardens are at their colourful best, with borders full of summer interest.

We will enjoy a guided tour of the gardens, offering insight into their history, design, and planting schemes. After the tour, there will be free time to explore at leisure or relax at the on-site café, which serves light lunches, cakes, and refreshments (lunch is not included in the cost).

This visit is ideal for keen gardeners and those who simply enjoy a peaceful stroll in a beautiful setting.

**The cost of the day is £47.00**, which includes coach travel, entrance to Miserden Gardens, and a guided garden tour. To secure your place, please book and pay the full balance by **Friday 29<sup>th</sup> May 2026**.
