An exclusive double visit to two exceptional Gloucestershire gardens. In the morning we explore Rodmorton Manor, one of the finest Arts & Crafts houses and gardens in England. In the afternoon, we visit the private gardens of Daglingworth House, finishing with tea and cake.

Wednesday 23rd July – Miserden Gardens, Stroud

A relaxed summer outing with a later start, visiting one of the finest Arts & Crafts gardens in the Cotswolds. A guided tour is included, followed by free time to enjoy the gardens and café at leisure.

Wednesday 9th September – Waterperry Gardens

A classic late-summer visit to Waterperry Gardens, famous for their long herbaceous borders, rose garden, and tranquil setting near Oxford. A guided garden tour and fresco tour of the house are included.

Friday 25th September – Malvern Autumn Show

We round off our day excursions with a lively visit to the Malvern Autumn Show, celebrating the very best of autumn gardening, harvest produce, food, and drink, set against the beautiful Malvern Hills.

Residential Holiday – Gardens of Hampshire

This four-day break has been designed to be enjoyed at a comfortable pace, with excellent accommodation, good food, and a varied itinerary.
