Begin with a square
piece of paper
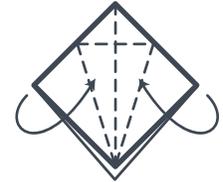

Fold corners together
to form a triangle

Fold across the center line
to make a smaller triangle.

Pull top layer up and out to
form a flattened square
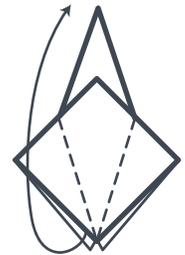

Flip and repeat to form
double squares

Fold the left and right edges to the
center line and fold top corner down

Unfold all the last
step to form creases

Lift the top layer and gently pull all the
way up while flattening along creases

Flip and repeat

Fold the left and right
edges to the center line

Flip and repeat

Lift left point up
and fold inside

Repeat with
right point

Push left point down and fold
to the inside to form the head

Gently pull top points of
wings down and out

You did it!
