AT THE LORD ROBERTS

Join us for the launch of **SWEAT** on Saturday 28th March 2026 at The Lord Roberts, as we turn up the heat with a night dedicated to House & Tech House.

From 8PM – 2AM, expect driving beats, sweaty dancefloors, and pure underground energy in the Prohibition downstairs space. With limited capacity, this will be an intimate, high-energy crowd — the kind of night where everyone's there for the music, the vibe, and the connection.

SWEAT is about bringing the community back to the dancefloor. Our goal is to make this a monthly event, inviting guest DJs from Nottingham's LGBTQ scene to showcase their sound and deliver some of the best house music around.

It's been a while since Nottingham had a proper queer night built around great music and good people. No drama — just freedom, energy, and a safe space to dance all night.

For tickets, search SWEAT at <https://www.eventbrite.co.uk>
