## Huckleberry Flavored Whiskey

Listening to the Prophet Joseph Smith tell the story of the angel and the hidden plates, young Porter Rockwell's adventurous nature was stirred. Although Porter was eight years younger than the Prophet, a bond of friendship between the two was quickly formed. Later, when Joseph needed money to publish The Book of Mormon, Porter picked berries by moonlight after his chores were done and sold them. When there were no berries to pick, he gathered wood and hauled it to town to sell. The money he earned was given to the Prophet.

The two families remained loyal to each other, and when the Smiths moved to Fayette, New York, the Rockwells followed. Sixteen-year-old Porter was probably the youngest member of the first group to be baptized into the Church after it was organized in 1830.

Later, when the former Governor of Missouri, Lilburn Boggs, was shot, Porter Rockwell was charged with the crime. Without any evidence of his guilt, Porter was taken prisoner and kept in an unheated dungeon without any bedding for over nine months. One day Sheriff Reynolds came to the jail and offered Porter a large sum of money if Porter would take him to Joseph Smith so that the Prophet could be captured. "I will see you damned first," responded Porter.

After Porter's release from jail, he walked most of the way to Nauvoo, Illinois. He arrived at Joseph Smith's house on Christmas. In 1843, the Prophet and his friends were having a supper party. "During the festivities," Joseph recounted later, "a man with his hair long and falling over his shoulders, and apparently drunk, came in and acted like a Missourian. I requested the captain of the police to put him out of doors. A scuffle ensued, and to my great surprise and joy untold, I discovered it was my long-tried, warm, but cruelly persecuted friend, Orrin Porter Rockwell." (History of the Church, 6: 134-135.)

The fourth product of the Porter's Whiskey line of liqueurs features a blend of Northwest Huckleberries and Canadian Whiskey. With a semi-sweet full-berry flavor and the softness of the whiskey, Porter's Huckleberry is quickly becoming a favorite flavor of the West.
