EVENT INFORMATION:

Olde Home Days, a long-standing community tradition that brings residents, families, and visitors together to celebrate all that makes our town special. This year's event will be held on Friday, September 5th and Saturday, September 6th at Central Park in Clinton, and we are seeking sponsors to help make this year a memorable experience for all.

Olde Home Days is a municipally run event and fully tax-exempt, making your sponsorship not only a meaningful community investment but also a charitable contribution.

Your support will directly fund family-friendly entertainment, local performers, children's activities, and other community-building features that draw thousands of attendees. In return, sponsors will be recognized in event signage, promotional materials, online outreach, and public announcements throughout the event.

We offer several sponsorship levels to fit a variety of budgets, and we're happy to discuss customized options that align with your business goals. Whether you're a returning supporter or considering joining us for the first time, your involvement will help keep this beloved town tradition thriving.
