is your Number One venue that offers
a sophisticated and stunning setting for
your wedding day celebrations.

ONE DAY – YOUR DAY

ONE DAY – SO MANY OPTIONS

ROOM ONE overlooks Hartford Golf Club's, first hole, bringing the outside inside. Its glazed walls and oak framed entrance open on to the lush green course and take in dramatic views, offering a truly breathtaking backdrop for your perfect wedding day.

INSIDE

ROOM ONE is licensed for both indoor or outdoor ceremonies, offering the perfect surroundings for magical indoor weddings and romantic candlelit ceremonies.

OUTSIDE

Its unique outdoor space and terrace with the romantic gazebo over the water's edge offers brides and grooms the perfect setting to say, 'I do'.

ONE DAY –

LOVE ALL AROUND

From Ceremonies, Wedding Breakfasts, Outdoor Dining to Evening Receptions, ROOM ONE is the perfect space to bring you and your guests together.

It's a blank canvas upon which you can create your dream wedding, with the option to personalise the space as little or as much as you like.

ONE DAY – FOOD OF LOVE

Our Head Chef and team offer bespoke cuisine using only the finest locally sourced produce, to design a menu specifically tailored for you and your guests. Whether it be a more relaxed al fresco feel or wedding breakfast we can design a menu that fits the theme of your day.

Our outdoor kitchen and bar mean wedding guests can go on to enjoy twilight outdoor receptions and dining straight from our Mediterranean-style grill. To toast your special day, we've created a selection of fun drinks packages along with our full wine menu and exciting cocktail list.

Dramatic countryside scenery, water features, an aged olive tree and the simple yet stunning décor of ROOM ONE will capture images to take your breath away. ROOM ONE truly is a photographer's dream, by day or night.

ONE DAY – JUST ENJOY IT!
