

Elevate Tennessee

Lifting Students from the Classroom to the Workforce

Elevate TN seeks to create a pipeline of skilled workers in Tennessee. The statewide web portal is available for any public school teacher that serves grades 8 - 12 in any subject area including CTE programs of study. This portal provides students with job-shadowing and internship experiences, career exploration, and resume-building activities developed around local employer needs. Students can earn industry-recognized badges for their resumes while building skills that will support CTE industry credentials.

Personalized Career Experiences

Elevate TN focuses on the student holistically by connecting student interests and values to local career pathways. The online courses align to CTE Programs of Study and provide students with industry-recognized badges for their digital resumes.

Student Benefits

- Digital Resume
- Explore Local Jobs
- Interest Assessment
- Postsecondary Pathway Exploration
- Industry Badges

Educator Benefits

- Standards Aligned Learning Modules
- Occupational Teaching Tools
- Sustainable Partnerships
- Online Classroom Manager
- Reporting Tools

Connecting to Local Employers

Connecting students to local job opportunities is critical. The employer dashboard allows companies to list current job openings/internships as well as identify how they would like to engage with the K-12 educational community. Employers self-select to appear as guest speakers, field trip providers, and much more.

Course Badges

These are just a few of the 25+ badges students can earn and apply to their digital resumes within the Elevate TN platform.

- Personal Finance
- Agriculture
- Supply Chain/Logistics
- CyberSmart
- Nursing Introduction
- Workplace Soft Skills
- Customer Service
- Workplace Safety
- Advanced Manufacturing
- Food Preparation/Safety
