8TH GRADE HIGH SCHOOL PLANNING CONSULTATION

One 60-Minute Meeting — \$250

Designed to help students and families understand how high school course choices can support future college options.

Includes:

- Introduction to high school graduation and college admission course requirements
- Discussion of appropriate academic rigor
- Guidance with freshman-year course selection
- Creation of an initial four-year high school course plan
- Time for student and parent questions

Best for:

Students and families who want guidance preparing for the transition to high school and making informed academic choices.

9TH GRADE FOUNDATION CONSULTATION

One 60-Minute Meeting — \$250

Designed to help students establish a strong academic and extracurricular foundation during freshman year.

Includes:

- Review of current courses and academic progress
- Review and adjustment of the four-year high school course plan
- Discussion of interests and strengths
- Initial extracurricular guidance
- Introduction to creating and maintaining an activities log
- Time for student and parent questions

Best for:

Students and families seeking a focused check-in and guidance during the first year of high school.

10TH GRADE PLANNING PACKAGE

Two 60-Minute Meetings — \$500

Designed for students seeking academic guidance, deeper self-exploration, and thoughtful preparation before the college-planning process intensifies.

Meeting One: Academic and Extracurricular Review

- Review of grades and future course planning
- Evaluation of current activities and involvement
- Discussion of leadership, depth, and summer opportunities
- Introduction to the standardized testing timeline

Meeting Two: Interests and College Exploration

- Exploration of potential majors and careers
- Identification of initial college preferences
- Recommendations for meaningful college-exposure activities

Also Includes:

Access to a CollegePlannerPro student account to research colleges and explore admissions data

Best for:

Students who want focused guidance and intentional preparation before junior year.

Pricing and Packages

11TH GRADE PACKAGES

Includes:

- Final college list review
- Application strategy and timeline
- Activities section guidance
- Common App setup and review
- Main personal statement brainstorming and editing
- Final application review prior to submission

Best for:

Students applying to a manageable college list with no supplemental essays.

Balance Package

20 Hours — \$4,500

Designed for students applying to Common App schools plus University of California and California State University campuses.

Includes:

- Everything in the Foundation Package
- UC Personal Insight Questions coaching
- UC and CSU application guidance
- Supplemental essay support (up to 5 supplemental essays)
- Final application review
- Financial aid and institutional scholarship guidance
- Decision support and final application strategy

Best for:

Students applying across multiple application platforms who want comprehensive essay and application support.

Thrive Package

30 Hours — \$6,750

Designed for students seeking high-touch support throughout a highly selective or essay-intensive admissions process.

Includes:

- Everything in the Balance Package
- Extensive supplemental essay coaching
- Final review of all application materials

Best for:

Students applying to selective colleges with extensive supplemental essays.

APPLICATION REVIEW SERVICES

Expert Feedback Before You Hit Submit

Application review services are designed for students who have completed their college application materials and would like professional feedback before submitting. Each review provides detailed, actionable recommendations to help strengthen the student's message, improve clarity, and ensure the application is presented as effectively as possible.

ACTIVITIES SECTION REVIEW

\$150

Review of the Common App Activities and Honors sections, with feedback focused on organization, clarity, use of character limits, and effectively communicating the student's involvement and impact.

Includes one comprehensive written review of the completed Activities and Honors sections.

PERSONAL STATEMENT REVIEW

\$250

This targeted review provides detailed feedback on one completed Common App personal statement of up to 650 words.

The review includes:

- Strength of the opening and overall structure
- Development of the essay's central message
- Student voice and authenticity
- Personal reflection and insight
- Clarity, flow, grammar, and conclusion

Scope: Includes one comprehensive written review of one completed personal statement of up to 650 words. Essay brainstorming and topic selection are not included.

SUPPLEMENTAL ESSAY REVIEW

\$250

This targeted review provides detailed feedback on the completed supplemental essays for one college.

Scope: Includes one comprehensive written review of up to three supplemental responses totaling no more than 750 words per college. Separate scholarship and honors-program applications are not included.

STANDARD APPLICATION REVIEW - ONE COLLEGE

\$650

A comprehensive review of the student's Common Application and application materials for one college.

The review includes:

- Activities and Honors sections
- Personal statement
- Additional Information section, if applicable
- College-specific questions for one college
- Supplemental essays for one college totaling no more than 750 words
- Includes one comprehensive written review

ENHANCED APPLICATION REVIEW - UP TO THREE COLLEGES

\$1,100

A comprehensive review of the student's Common Application and college-specific application materials for up to three colleges.

The review includes:

- Activities and Honors sections
- Personal statement
- Additional Information section, if applicable
- College-specific questions for up to three colleges
- Supplemental essays for up to three colleges totaling no more than 750 words per college
- Includes one initial written review plus one follow-up review

PREMIUM APPLICATION REVIEW - UP TO FIVE COLLEGES

\$1,600

A comprehensive review of the student's Common Application and college-specific application materials for up to five colleges.

The review includes:

- Activities and Honors sections
- Personal statement
- Additional Information section, if applicable
- College-specific questions for up to five colleges
- Supplemental essays for up to five colleges totaling no more than 750 words per college
- Includes one initial written review plus one follow-up review

IMPORTANT INFORMATION

Students should have complete drafts of all materials before submitting them for review. Feedback will be provided through detailed comments directly on the student's application or shared documents.

Targeted reviews and the Standard Application Review include one comprehensive written review with detailed, actionable feedback. The Enhanced and Premium Application Reviews include one comprehensive written review plus one follow-up review of revisions made in response to the initial feedback.

Standard turnaround is 3-5 business days after all materials are received. Availability and turnaround times may vary during peak application season and holidays.
