Book Club

Tabor Hills Book Club will meet on Tuesday, September 16th at 1:30 pm in the Game Room at the Pavilion. We will discuss Starry Messenger Cosmic Perspectives on Civilization by Neil deGrasse Tyson. This author is an astrophysicist as well as a best-selling author. His perspective on culture, society and civilization is unfamiliar to our book club but we hope to deepen our understanding of these issues and also deepen our understanding of our country and our world. Copies of the book are provided by Naperville Public Library. Please ask Gabriella for one of our library copies and be sure to return it at or before our meeting.
