Adoration of the Shepherds
Look and Learn

This painting shows us the night Jesus was born. What is your favorite part?

Does this look like a happy scene or a sad scene?

How do the people around the Baby Jesus look?

Where is the light coming from?

Through him was life, and this life was the light of the human race; the light shines in the darkness.

The Word Became Flesh

And the Word became flesh and
made his dwelling among us…

(John 1:14)

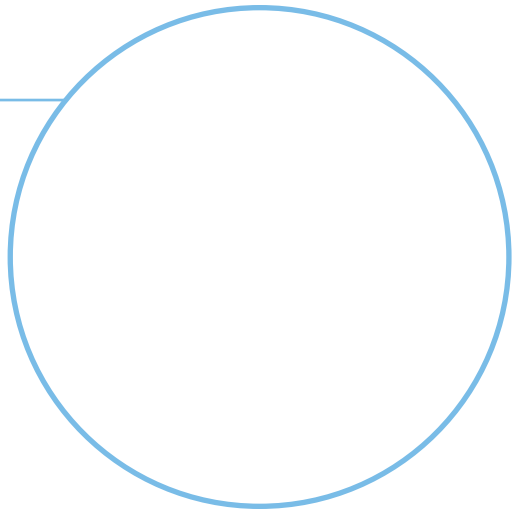

A dwelling is a home.
Draw a picture that shows Jesus in your home.

…And we saw his glory, the glory as of the
Father's only Son, full of grace and truth.

(John 1:14)

Draw what you think "full of grace and truth" looks like.
