

St. Bernard's Family Catechesis

FIRST YEAR CONFIRMATION

2026 - 2027 - ST. BERNARD'S 6TH GRADE CLASS

Welcome to a new year of Family Catechesis!

Our Parish in partnership with our school offers a two-year family enrichment program for each child preparing to receive their sacraments. As your child's primary catechist, you play the most important role in their faith formation, and we are here to support you every step of the way. The program consists of 8 sessions throughout the year: 3 in-person meetings and 5 at-home online sessions. The online sessions will be emailed to you to complete at home as part of our "Domestic Church" program.
