

Charlottesville-Albemarle SPCA Hosts Reduced-Fee Vaccine and Microchip Clinic at Sunrise Community Center in partnership with Petco Love

CHARLOTTESVILLE, VA (May 27, 2025) – The Charlottesville-Albemarle SPCA is bringing vital veterinary services directly to neighborhoods in need through its upcoming Compassionate Care Clinic. The next Compassionate Care Clinic will take place on Friday, May 30th, from 12 PM to 4 PM at the Sunrise Community Center, located at 1412 Carlton Avenue in Charlottesville. This clinic is designed to provide pet owners in the South Charlottesville area who qualify as low-income with access to essential veterinary services, including vaccines and microchips, at significantly reduced fees.

This clinic is made possible through support from Petco Love's national vaccination initiative, *Vaccinated and Loved*, which seeks to distribute one million free vaccines to pets in need across the country.

Our Care-A-Van and clinic staff will be on-site to provide the following services:

- Microchips – \$25
- Rabies – \$15
- Bordetella – \$15
- DAPP (Dogs) – Free
- FVRCP (Cats) – Free

To qualify for these services, attendees must show proof of public assistance, such as an EBT card, Medicaid, SNAP benefits, WIC, or unemployment. This requirement ensures that the clinic serves those who need it most.

"By offering these essential services, we help pets stay healthy and with the families who love them," said Jasmyn Davila, Clinic Operations Manager at the Charlottesville-Albemarle SPCA. "Access to veterinary care shouldn't be a luxury, and we are proud to help make that possible."

Due to the high demand for these services, availability is limited. Pet owners are encouraged to arrive early to secure their place in line. For more information about this Compassionate Care Clinic, please email clinic@caspca.org or call 434.973.5959 ext. 206.
