[Utah Code § 63G-6a-103\(73\), \(90\), \(96\) \(2024\)](#)

Purposes of Request for Statement of Qualifications—

A request for statement of qualifications must be used as part of the process to establish an approved vendor list. (See Policy DJEC.) A request for statement of qualifications also may be used to identify qualified vendors in one stage of a multiple-stage procurement process (invitation for bids, request for proposals, or design professional procurement). A request for statement of qualifications may not be used as the sole basis for awarding a contract, nor may it be used to solicit costs, pricing, or rates, or to negotiate fees.

[Utah Code § 63G-6a-410 \(2020\)](#)

Request for Statement of Qualifications Process—

The request for statement of qualifications procurement process begins when the District issues a request for statement of qualifications. The District shall publish a request for proposals in accordance with the notice requirements of Policy DJEC.

[Utah Code § 63G-6a-410\(3\), \(6\) \(2020\)](#)

[Utah Code § 63G-6a-410\(5\) \(2020\)](#)

Correction or clarification of statement of qualifications

The Procurement Official may allow a vendor to correct an immaterial error in a statement of qualifications, as provided in Policy DJDAA and may also request a vendor to clarify information contained in a statement of qualifications, as provided in Policy DJDAA.

[Utah Code § 63G-6a-410\(7\), \(10\) \(2020\)](#)

Establishment of evaluation committee

The District shall appoint an evaluation committee consisting of at least three individuals with at least a general familiarity with or a basic understanding of either (1) the technical requirements relating to the type of procurement item that is the subject of the request for statement of qualifications or (2) the need that the procurement item is intended to address. The District shall ensure that the evaluation committee and each individual participating in the evaluation process (a) does not have a conflict of interest with any vendor that submits a statement of qualifications, (b) can fairly evaluate each statement of qualifications, (c) does not contact or communicate with a vendor concerning the evaluation process or the procurement outside the official evaluation committee process; and (d) conducts or participates in the evaluation in a manner that ensures a fair and competitive process and avoids the appearance of impropriety. The District may reduce the number of individuals appointed to the evaluation committee if the Procurement Official makes a written determination that the evaluation criteria consist only of objective criteria and do not include any subjective criterion that requires analysis, assessment, or deliberation.

The District may authorize the evaluation committee to receive assistance in better understanding a technical issue involved in the procurement from an expert or consultant who is not a member of the committee and who does not participate in evaluation scoring. The evaluation committee may, with the approval of the Procurement Official, enter into discussions or conduct interviews with, or attend presentations by vendors for the purpose of clarifying information contained in statements of qualifications. However, in such interactions, a vendor may only explain, illustrate, or interpret the contents of the original statement of qualifications. The vendor may not (1) address criteria or specifications not contained in the original statement of qualifications, (2) correct any deficiency, inaccuracy, or mistake other than an immaterial error, (3) remedy an incomplete submission of documents, (4) remedy an untimely statement submission, (5) substitute or alter a required form, (6) remedy a cause for the vendor being considered not responsible or the statement not responsive, or (7) correct a failure to meet mandatory minimum requirements, evaluation criteria, or score thresholds.

[Utah Code § 63G-6a-410\(9\) \(2020\)](#)

Evaluation of statements

The evaluation committee shall evaluate and score statements of qualifications submitted in response to a request for statement of qualifications using the minimum mandatory requirements, evaluation criteria, and applicable score thresholds set forth in the request for statement of qualifications.

[Utah Code § 63G-6a-410\(9\)\(d\) \(2020\)](#)

Determination of qualified vendors

After the evaluation committee completes its evaluation and scoring of the statements of qualifications, the committee shall submit the statements and evaluation scores to the Procurement Official. The Procurement Official shall review the committee's scores and shall correct any errors, inconsistencies, or reported noncompliance with the Procurement Code. After reviewing the evaluation committee materials, the Procurement Official shall make a final determination of:

- qualified vendors who are allowed to participate in the remaining stages, if the request for statement of qualifications process is used as one of the stages of a multiple-stage process, or
- vendors to be included on an approved vendor list, if the request for statement of qualifications process is used as part of the approved vendor list process.

[Utah Code § 63G-6a-410\(9\)\(f\), \(g\), \(14\) \(2020\)](#)

Withdrawal of statement

A vendor may voluntarily withdraw a statement of qualifications at any time before a contract is awarded with respect to which the statement of qualifications was submitted.

[Utah Code § 63G-6a-410\(11\) \(2020\)](#)

Single qualified vendor

If only one vendor meets the minimum qualifications, evaluation criteria, and applicable score thresholds set forth in the request for statement of qualifications which is being used as part of an approved vendor list process, the District may cancel the request for statement of qualifications or may establish an approved vendor list that includes the one vendor if the District continues to try to identify more vendors to be included on the approved vendor list by either keeping the request for statement of qualifications open or immediately reissuing the request for statement of qualifications and repeating the process. If the District cancels the request, it shall make available for public inspection a written justification for the cancellation.

[Utah Code § 63G-6a-410\(12\), \(13\) \(2020\)](#)

Rejection of statement

The Procurement Official may reject a statement of qualifications based on a determination that the vendor (1) is not responsible, (2) is in violation of the Procurement Code, (3) has engaged in unethical conduct, or (4) receives a performance rating below the satisfactory performance threshold specified in the request for statement of qualifications. A statement may also be rejected if there is a change in the vendor's circumstances that, if known when the statement was evaluated, would have caused the statement to not receive a qualifying score. A statement may also be rejected if it is not responsive or does not meet the mandatory minimum requirements, evaluation criteria, or applicable score thresholds stated in the request for statement of qualifications. Upon rejection of a statement, the Procurement Official shall make a written finding stating the reasons for rejection and provide a copy of that finding to the vendor whose statement was rejected.
