

Emery County School District

Policy DJED—Procurement: Procurement of Professional Services

Date Adopted: 18 June 2025

Current Review / Revision: 18 June 2025

Definitions—

“Professional service” means labor, effort, or work that requires specialized knowledge, expertise, and discretion, including labor, effort, or work in the field of:

- accounting;
- administrative law judge service;
- architecture;
- construction design and management;
- engineering;
- financial services;
- information technology;
- the law;
- medicine;
- psychiatry; or
- underwriting.

[Utah Code § 63G-6a-103\(59\) \(2024\)](#)

Procurement of Professional Services—

The District may use the process set forth in **USBE Policy CCF (to be added later)** (relating to procurement of design professional services) to obtain other types of professional services for the District.

[Utah Code § 63G-6a-1502\(3\) \(2020\)](#)
