Incoming Accidents & Emergencies

Incoming emergencies or accidents will be assessed and treated immediately. We ask for your understanding should this circumstance arise and for any inconvenience this may cause occasionally.

Repeat Prescriptions

Please request any required prescription updates during your GP consultation.

Urgent repeats may be requested over the phone only if the medication is one regularly prescribed to you by your GP.

Fees will apply.

Telephone Appointments

As per the Medicare directive, new patients are ineligible for a phone consultation. Regular patients may be eligible; however, the treating GP will determine if it is clinically safe to provide a telephone consultation or if a face- to-face consultation is necessary. Telephone consultation fees will be the same as a routine consultation fee. This will be payable at the time of booking over the phone and the rebate will be self-claimed by the patient.

Referrals & Specialist Appointments

Referrals will be forwarded by the practice to the required specialist. You need a current and valid referral (within last 12 months) before you can see a specialist and in order to obtain your Medicare Rebate. Be sure to see your GP before your next scheduled appointment if you need a new referral as Doctors are unable to back date any documents.

Test Results

Your treating Doctor will advise you when your radiology or pathology results *may* be expected to be returned to the practice. Usually, you will be notified by SMS and we ask that you notify the practice if you do not receive any notice at all beyond the expected time frame.
