## American Baptist Churches of New Jersey

### COVENANT OF RELATIONSHIPS BETWEEN AMERICAN BAPTIST CHURCHES OF NEW JERSEY AND MEMBER CHURCHES

American Baptists understand their relationship to God through Jesus Christ as a freely accepted covenant. We also believe and understand that the local body of believers is autonomous. It is fitting that relationships of organizations created by Christians be bound together by mutually accepted covenants.

God has called us to be God's covenant people, living in loving relationships with our Creator and Redeemer and one another. Our covenant relationships and responsibilities to each other are rooted in the unconditional love of God, who has called us to live a life that expresses the full dimensions of that love and who has sent us to witness to all people concerning God's grace in our Lord Jesus Christ. We as Christians believe that the Spirit of God has led us to give expression to our faith and purpose in Jesus Christ as Lord and Savior through the local church. We believe this same Spirit calls us into a wider relationship as American Baptist Churches of New Jersey to better accomplish common purposes related to the gospel of Jesus Christ and the Kingdom of God.

Therefore, we covenant with one another and God to be associated as a fellowship of churches committed to a common purpose and sharing in common activities and fellowship. As American Baptist Churches of New Jersey - both as a regional organization and as a local church - we trust that our relationship will surpass any list of expectations as we seek to be obedient to the mandate of sharing the gospel throughout the whole world. Our life and actions, both as persons and as churches, are to be consistent with the confession of faith we have made, and the covenant vows we have taken. Through God's divine grace, we are called to be responsible to one another in our relationships within congregations and with each other in the wider fellowship.

These include but are not limited to, providing pastoral care to both clergy and churches, offering spiritual guidance, providing educational opportunities for leaders, and facilitating our camping programs. 100% of your regional offering remains with ABCNJ.

**United Mission** is called our one family offering. As American Baptists, we serve as the hands and feet of Christ. Together we seek to heal a hurting world. This means feeding the hungry; empowering pastors, lay leaders, and youth to spread Christ's love; protecting the environment, promoting Christian unity, and more. United Mission is the simple, efficient way American Baptists pool financial resources to maximize the amount of good we can do together. 65% of these funds come back to ABCNJ.

Thanks to **America for Christ** offering contributions, American Baptist Home Mission Societies (ABHMS) has helped families who lost homes to floods, wildfires, and storms, along with children living on the edge because of poverty and seminarians preparing to devote their lives to sharing the Good News. These are just a few of the ways we minister to those in need. 33% of these funds come back to ABCNJ.
