

Dear Fifth Grade Students and Families,

Welcome to an exciting new school year! My name is Ms. Calabrese, and I am thrilled to be your child's 5th grade teacher this year. I look forward to getting to know each student and working together to make this a successful, meaningful, and memorable year.

I have been teaching for 22 years and have had the opportunity to teach all grade levels and subjects throughout my career. Those experiences have helped me develop a love for helping students grow academically, socially, and emotionally. I truly believe every child can succeed when they feel supported, encouraged, and challenged to do their best.

Fifth grade is such an important year filled with growth, independence, and new responsibilities. Together, we will work hard, ask questions, explore new ideas, and build confidence in all subject areas. My goal is to create a classroom environment where students feel safe, respected, and excited to learn each day.

Communication and teamwork between home and school are very important to me. I encourage parents and guardians to reach out with any questions or concerns throughout the year. By working together, we can help your child have a positive and successful school experience.

Students, I cannot wait to meet you and begin this journey together! Get ready for a year full of learning, laughter, teamwork, and new adventures.

Enjoy the rest of your summer, and I look forward to seeing everyone soon!

Warm regards,
Ms. Calabrese
