

Holy Name of Jesus School
Reading and Math Work
Students Entering Grade 5 – 2026/2027 School Year

READING:

Students entering Grade 5 **are required** to read the following book:

- *Frindle* (Andrew Clements)
Please purchase this book. Students will be writing and highlighting information in the book during classroom discussion during the school year.

Assignments:

- Complete the Summer BINGO activity.

MATH:

Complete the 6 math review pages. They are due the first day of school

LANGUAGE ARTS:

Complete the 3 Grammar Review Worksheets. They are due the first day of school.

HNJ 5th Grade Summer Reading

How Bingo Works:

You must complete one row of bingo.

Bingo is either horizontal, vertical or diagonal.

The book can either be an e-book or a physical copy of the book.

Audible does not count as "reading" due to the intention of this assignment.

You can only use ONE book for each column even if it can fit more than one spot.

**The book must be read THIS summer to count towards bingo.
Previously read books DO NOT COUNT.**

Please write the name of the book in the box that you're counting it for.

**YOU MUST READ FRINDLE IN ADDITION TO THE BINGO BOOKS.
DURING THE FIRST WEEKS OF SCHOOL THERE WILL BE A GRADED
ASSIGNMENT BASED ON YOUR KNOWLEDGE OF FRINDLE**

Enjoy your summer reading!

**Love,
Mrs. Bevan**

B	I	N	G	O
A sequel or next part of a series	Nominated for an award	Takes place in summer	Set on a non-Earth place	Has non-human characters
A book of short stories	Recommended to you	Any nonfiction book	Has 500+ pages	A classic novel
Published in the year you were born	A graphic novel	FREE SPACE	Set in another country	Turned into a movie or TV show
Has a number in the title	Set at a school	Has a one-word title	A book of poems	Mystery with a teen detective
Any sports related novel	A novel written in verse or a book of poems	A book outside of your comfort zone	Historical fiction	Fantasy fiction

Name _____

Grade 5 Math

page 1

Directions: Put all your work on this paper. This assignment is due the **first** day of school.

Change these words into standard form numbers.

1. Twenty thousand twenty _____
2. Two thousand two _____
3. Two hundred thousand two hundred _____
4. Two million two thousand two hundred _____
5. Four thousand seven _____
6. Forty thousand forty _____
7. Seventy thousand six hundred twenty _____
8. Eight hundred thousand four hundred _____
9. Eight million eighty thousand eight hundred _____
10. Six million fourteen thousand twelve _____
11. Three million three hundred thousand three _____
12. Six million twenty thousand two hundred _____
13. Seven million seventy thousand seven hundred _____
14. One hundred sixty-three million sixty-three _____
15. Four hundred two million two hundred two _____
16. Seventy-seven million seventy-seven thousand seventy-seven _____
17. Forty-three million forty-seven thousand seven _____
18. Twenty-six million six hundred one _____
19. Five hundred million fifty thousand fifty _____
20. Eight hundred seventy-six million twenty-nine _____

Write these numbers as words.

21. 63,301,000 _____
22. 200,200,002 _____
23. \$743.37 _____

Add or subtract. Watch your signs.

3. The first customer came in and bought 2 dozen donuts and 6 croissants. How many croissants were left?

Round the number 193,865,043 to **each** of the given places.

Page 6

1. ten thousands _____
2. hundreds _____
3. millions _____
4. thousands _____
5. hundred millions _____
6. hundred thousands _____
7. tens _____

Round each to the nearest **dollar**.

1. \$16.25 _____
2. \$29.75 _____
3. \$106.13 _____
4. \$3,754.99 _____

Write the math vocabulary word to fill in the blank.

1. The _____ is the answer to an addition problem.
2. The _____ is the answer to a subtraction problem.
3. The _____ is the answer to a multiplication problem.
4. The _____ is the answer to a division problem.
5. In the division problem, $56 \div 8 = 7$, the number 8 is called the _____.
6. In the division problem, $56 \div 8 = 7$, the number 56 is called the _____.

Grammar Review - #1 - Analogies, Nouns, Action Verbs

Name: _____

Directions: Complete each analogy by writing the correct word on the blank line.

1. Bird is to fly as fish is to _____.
