INTRODUCTION

INTRODUCTION

Holy Name of Jesus School (HNJ) is an elementary school within the Roman Catholic Diocese of Harrisburg located at 6190 Allentown Boulevard, Harrisburg, PA, 17112. The school provides classes for children in Pre-K3, Pre-K4, Kindergarten, and grades 1-8. The school has been Middle States Accredited since 2008.

Students at Holy Name of Jesus School are immersed within the three-fold purpose of Catholic education: doctrine, community, and service. The Catholic identity of our school is woven within the fabric of a curriculum that is developed and approved by our Diocese. Students receive academic instruction in the core subject areas of integrated language arts, mathematics, science, social studies, and religion. Specialty subjects of art, music, computer, and physical education, which are provided by the Diocese of Harrisburg, are also taught at each grade level. The world language of Spanish is taught at Holy Name of Jesus School at all grade levels. Weekly library instruction is included within the language arts curriculum. Intensive instructional support services exist for students who have been recommended for more extensive academic interventions.

Extracurricular activities abound at Holy Name of Jesus School, including music, chorus, band, academic clubs, and National History Day. With service as a primary focus, a student council consisting of eighth grade students provides opportunities for our students to help others within the church and local communities.

Operating as a learning community within a faith community, the school's financial means is provided by a number of sources including tuition, parish subsidy, financial scholarships provided by outside sources, and minimal large event fundraisers.

Holy Name of Jesus School welcomes students from diverse backgrounds. We strive to live our motto, "Where love and learning go hand in hand."

PHILOSOPHY

Holy Name of Jesus School is dedicated to the total formation of the student: spiritual, academic, and human. We strive to provide a safe and secure atmosphere that is fully and dynamically Catholic, and academically sound and challenging. We affirm that every human being is made in God's image and likeness.

INTRODUCTION (CONT'D)

It is of the utmost priority to us that our students develop the talents God has given them, acquire important knowledge in the core subjects, learn skills that will help them to make of their lives a gift to God and make positive contributions to society in many and various human endeavors. May they be builders of a culture of life and a civilization of love.

MISSION STATEMENT

Growing together in faith, we foster love and reverence for God and for every human being. Rooted in Christ, and as his disciples, we strive to provide a dynamic Catholic atmosphere in which academic excellence can flourish in a safe, nurturing, and diverse environment. Reflecting the teachings and actions of Christ through the Catholic Church, we instill a desire to know, to love, and to serve God and to love our neighbors as ourselves.

BELIEF STATEMENTS

With the understanding that we are all made in God's image and likeness, we acknowledge that every child has the right to learn. In accordance with this, we believe that we should:

- Help our children grow into responsible and loving adults as Disciples of Christ in the model of Mary, the Mother of God.
- Foster a love for the teachings of the Catholic Church in their fullness.
- Encourage a love for the practice of the Catholic faith through frequent celebrations of the Eucharistic Sacrifice, the sacramental life, and regular prayer and devotion.
- Incorporate our Catholic faith in all subject areas with high standards for a quality education.
- Provide a safe, healthy, and drug-free environment.
- Prepare the child for spiritual and academic success.
- Model the Christian spirit of giving to the needy and caring for others through works of mercy.
- Teach the importance of justice and fairness through daily practice and examples.
- Share the responsibility as parents, teachers, and students in maintaining cooperative relationships to cultivate the success of every child.
- Teach virtue, morality, and reverence according to God's Commandments.

SECTION 5

ACADEMICS

INSTRUCTION

It is our objective that Catholicism be woven into the fabric of each curriculum area for all students. We recognize that students learn in a variety of ways such as visually, auditorily, and tactily. Our teachers strive to incorporate within their lessons all opportunities for students to be successful based upon their learning styles, interest, and ability.

Students are grouped by mixed abilities in Grades K-8 in all curriculum areas with the exception of the following:

Grade 5	Math and Reading
Grade 6	Math and Social Studies
Grade 7	Math, Science, Language Arts, Social Studies
Grade 8	Math, Science, Language Arts, Social Studies

REPORTING SYSTEM

Holy Name of Jesus School uses the *Rediker Plus Portal*, an on-line grade reporting system which allows parents/guardians to view the continuous academic progress of their child(ren).

Parents have login access to the *Rediker Plus Portal* through the Holy Name of Jesus School website at www.holynameofjesus.com/School/. The reporting system allows parents to view students grades, Progress Reports, and homework.

Holy Name of Jesus School issues electronic report cards three (3) times each year: December, March, and June. Teachers enter Progress Reports in the portal for parents to view, print, sign, and return to school mid-way through each trimester.

Homework includes both written and study assignments. While students should complete homework assignments independently, parental interest and guidance are certainly encouraged when needed. Written work is to be done neatly and legibly. Studying is most beneficial when done in a quiet place conducive to learning. It is expected that all homework assignments will be completed.

ACADEMICS (CONT'D)

HONORS

- First Honors - Students must earn an A in all academic areas and a C or better in all special subjects.
- Second Honors - Students must earn at least a B in all academic areas and a C or better in all special subjects.

STANDARDIZED TESTING

As directed by the Diocese of Harrisburg, students in Grades K - 8 are administered the Renaissance Star Tests for Reading and Math three (3) times each year. These tests measure student progress against national norms. Teachers review each student's scores and make note of those students with weaknesses in particular areas. Students with above average scores are also noted. We work to meet the needs of all students who may benefit from remediation or challenges. Keep in mind that standardized test scores are not the only criteria used for judging the ability of the student.

INSTRUCTIONAL SUPPORT SERVICES

Student Support Team (SST)

Recognizing that every student has a unique gift from God, Holy Name of Jesus School strives to develop these gifts. In an effort to support children who demonstrate through classroom performance that assistance in the learning process may be required, a team of teachers, support staff, and administration meet on a weekly basis to review and address the needs of each child who is referred by his/her teacher. Academic, social, emotional, and behavioral needs are addressed, and action plans are developed in conjunction with parents. These plans include instructional strategies for teachers, progress monitoring, and assessment of the overall success or failure of the various interventions.

Intensive Instructional Support (IIS)

While Catholic schools within the Diocese of Harrisburg do not offer exceptional programs for special education students, Holy Name of Jesus School does offer **Intensive Instructional Support (IIS)**. Students who are identified by the **Student Support Team** to be in need of intensive intervention and specially designed instruction qualify for this type of service.

SECTION 6

SECTION 8 **DISCIPLINE**

CODE OF CHRISTIAN CONDUCT

The Catholic Church and Holy Name of Jesus School recognize parents as the primary educators of their children and that the education of students is a partnership between parents and the school. Students are more likely to receive a quality, morally-based education when students, parents, and school officials work together. Our school is committed to providing an environment that educates, nurtures, and supports students according to the basic Christian principles of charity and love of neighbor. Everyone involved in the development of children and youth, including parents/guardians, teachers, administrators, family, and friends is expected to behave in accordance with these principles.

It is an express condition of enrollment that students behave in a manner, both on and off campus, that is consistent with the Christian principles of the school. These principles include, but are not limited to, the policies, principles, or procedures set forth in the school handbook.

It is also expected that the parents/guardians of a student follow the standards of conduct consistent with the Christian principles of the school. These principles include, but are not limited to, the policies, principles, or procedures set forth in the school handbook.

The Holy Name of Jesus Code of Conduct for members of our school community were developed to promote a learning environment based on reverence, respect, discipline, responsibility, and excellence. As a partnership, we all need to understand the importance of a good working relationship.

In most cases, it is possible to resolve differences. In some rare instances, however, the partnership may be irretrievably broken due to the severe nature of the student's conduct. In these cases, the school administration reserves the right to disenroll a family.

The purpose of this policy is to provide a reminder to all members of the community of the expected conduct so that we may continue to thrive, progress, and achieve an atmosphere of mutual understanding and respect.

DISCIPLINE (CONT'D)

Our Christian principles provide that all members of our school community should:

- Work courteously and cooperatively with the school to assist the student in meeting the school's academic, moral, and behavioral expectations
- Communicate and respectfully express concerns about the school operation and/or its personnel in a constructive and Christian manner within an appropriate setting

In order to support a safe Christian school environment, the following behaviors have been deemed inconsistent with the Christian principles of the school and are therefore unacceptable:

- Physical or verbal intimidation of a member of the school community
- Defamatory, offensive, or derogatory comments regarding the school or any of its students, parents, or staff posted on any social media platform (Concerns should be addressed through the appropriate channels.)
- Abusive and/or threatening behavior and/or communication whether electronic, written, or verbal
- Disruptive behavior which interferes, or threatens to interfere, with the operation of a classroom, office, or any other area of the school property

DISCIPLINE PHILOSOPHY

At Holy Name of Jesus Catholic School, we believe that our behaviors, both individually and as a community, are a sign of Christian witness to the broader society. Our goal is to guide each student's development as a Christian disciple who seeks to live a life modeled after Jesus Christ. Gospel values and the Ten Commandments guide our discipline policies in an effort to foster self-respect and socially responsible behaviors. Through demonstration and instruction, students will develop self-discipline to assist them in making good choices when presented with challenges. As Catholics, we believe parents are the primary educators. To achieve the type of learning environment required by our goals, home and school must be mutually supportive. Our objective is to provide students with an education that prepares them to live lives where love and knowledge of God is displayed through words and actions.

DISCIPLINE (CONT'D)

The expectations for the school community are as follows:

- Display responsible behavior
- Demonstrate respect to adults, other students, themselves, and our environment
- Exhibit reverence
- Strive for academic excellence

CLASSROOM EXPECTATIONS

As part of our Christ-centered school, teachers will reinforce positive behaviors to avoid inappropriate actions. To assist with classroom management the teachers will set up classroom procedures.

Classroom teachers provide specific guidelines that reflect our expectations. Each teacher provides students and parents/guardians with a set of classroom guidelines. These guidelines describe academic and disciplinary procedures that the students are expected to follow. These guidelines are different from the administrative progressive discipline that is employed. Parents/guardians receive a copy of these guidelines at the beginning of the school year. These guidelines have been approved by the Principal and are kept on file. The individual teachers will determine positive reinforcement activities.

These conditions will remain in effect until the Disciplinary Committee meets to review and revise as necessary. If our policies change during the school year, parents/guardians will be notified.

DISCIPLINE (CONT'D)

SERIOUS OFFENSES

Immediate intervention will occur at the discretion of the classroom teacher or Principal in the event of an occurrence of any of the following:

- **BEHAVIOR** in a non-Christian manner toward teachers, staff, administration, and/or adult supervisors and/or fellow students including, but not limited to, respect in speech and manners.
- **DISRESPECT** toward any of the Sacraments, during the reception of the Sacraments, and/or during other religious activities

Network storage areas will be treated as school property. Network administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should expect that files will be subject to review by appropriate school officials without any prior notice.

The Central Dauphin School District provides our school with one (1) nurse who checks height and weight, and performs vision and hearing testing on all students annually.

The school health services program is designed to be educational in nature and none of its services are intended to remove fundamental privileges or responsibilities from the parent in relation to the child.

The following health services are mandated by the Central Dauphin School District and the Pennsylvania Department of Health:

- **Physical/Medical examinations** are required for students in **Kindergarten and Grade 6.** A complete medical form with the child's name, the date of the exam, and the physician's signature must be submitted to the Health Room personnel prior to the student entering either of these grades. A form is available in the school office if needed. The date of the examination may be up to one(1) year prior to the first day of school during the required year.

The Health Room is limited with regard to space and cannot provide extended care for students who are ill. A staff member will contact the parent/guardian by phone to notify him/her of the child's illness. A recommendation will be made to either take the child home or seek medical treatment. Transportation for the student is the responsibility of the parent/guardian.

AUXILIARY SERVICES (CONT'D)

MEDICAL TREATMENT AND MEDICATIONS

Prescription Medications

In accordance with the current Diocesan policy, if a student requires the administration of prescription medication during the school day for a temporary, chronic, or occasional condition, a **PARENTAL REQUEST** and a **PHYSICIAN'S ORDER FOR MEDICATION** must be on file along with the medication. These forms must be completed in order for school personnel to dispense medications. The medicine **must** be in a properly labeled, **original pharmacy container**. Most pharmacies will provide this container for school upon request.

Non-Prescription Medications

Medications should be given by the parent/guardian at home. Over-the-counter medications (those not requiring a physician's order) may be administered in school as necessary. For these medications, an **Authorization for Non-Prescription Medication** form is required. These medications are administered on a limited basis only.

Forms may be obtained from the Health Room or on the school website at www.holynameofjesus.com by selecting "Forms" under the Quick Links tab.

In accordance with Central Dauphin School District, the following policies apply:

Cough Drops

Cough drops are dispensed by Health Room personnel. A written note from the parent/guardian is required. Cough drops are to be placed in a Ziploc bag clearly marked with the child's name and homeroom.

Field Trips

Only emergency medications such as Epi-Pens and inhalers will be sent on field trips. A First-Aid kit is also provided. All daily or over-the-counter medications will remain at school.

All medical treatment, including the administration of simple remedies (e.g. Advil) is considered outside the scope and providence of school authority.

Students may **NOT** carry **any** medications of any kind on their person, in their backpacks, or in handbags. Parents must transport all medications to the school.

AUXILIARY SERVICES (CONT'D)

When medical conditions necessitate a more extensive intervention, **a written order from the attending physician** must be provided to the school by a parent/guardian. A Health Room Action Plan for implementation will be developed by Health Room personnel in conjunction with the student, parents/guardians, and administration. This confidential plan will be shared with faculty/staff members who are responsible for the child's safety and well-being throughout the day.

For unusual medical conditions, a **written order from the attending physician** must be provided to the school by the parent/guardian. Upon receipt of the order, a plan for administration of medication will be implemented. **No medication will be administered without a written order.**

Parents/Guardians are responsible for picking up all medications at the end of each school year. Any medications that are not picked up by the last day of school will be discarded.

Students with HIV/Aids or Related Diseases

Students who are HIV-infected, have AIDS or a related disease and wish to attend a Diocesan elementary or secondary school, will not be denied admission or discriminated against solely because of their medical condition(s).

However, the school does reserve the right to dismiss a student or curtail a student's activities (curricular or extra-curricular). This will be done on a case-by-case basis by the Principal, in consultation with the student's attending physician, if it is determined that a student presents a substantial risk to him/herself and/or others.

If, for reasons of health and safety, a student can no longer continue to attend classes, the Principal and the parents/guardians will determine arrangements for alternative instruction.

Parents/guardians are expected to inform the Principal if a child has HIV/AIDS or a related disease in order for the administration to provide for the protection of the child and other individuals in the school.

Instruction on HIV/AIDS will be included as part of the school curriculum for the students at age-appropriate levels.

The school follows the **Universal Precautions to Prevent the Spread of Infectious Diseases** to reduce the risk to employees, volunteers, and students.

AUXILIARY SERVICES (CONT'D)

CAPITAL AREA INTERMEDIATE UNIT (CAIU 15) SERVICES

Federally funded resources are allocated to Holy Name of Jesus School through the supplemental services provided by the Capital Area Intermediate Unit (CAIU 15). These services are based upon the school's perceived needs, as well as the population of the school. Services are supplemental in nature and support our program. By law, they cannot replace any curriculum taught at Holy Name of Jesus School.

At Holy Name of Jesus School, supplemental services are accessible through the **Student Support Team (SST)** process. These services include remedial reading, remedial math, counseling, and speech/language.

Students determined to be in need of these services meet once or twice a week with the Pennsylvania Certified CAIU staff member to improve their skills.

After School Program

The purpose of the After School Program is to provide quality childcare in a safe and nurturing environment. Our program includes innovative activities that expand upon and enrich the activities of the school day. Activities focus on recreation and physical exercise, homework assistance, social skills, and Christian character development. Consistent with the mission of the school, this after-school service represents a community where staff and children grow together as a faith community in an atmosphere fostering love and respect for each person. The program assures working parents/guardians that their child(ren) will continue their after-school hours in a Christian atmosphere consistent with their school days.

Faculty and staff of Holy Name of Jesus School provide supervision for the After School Program Monday through Friday from 3:30 pm until 6:00 pm.

Families pay a fee to enroll their child(ren) in the After School Program. Fees are based on full-time attendance although it is not required for the child(ren) to attend full-time. Payment for the program must remain current. We reserve the right to terminate services should payment become delinquent.

After School Program information, including handbook and registration forms, is available in the school office or on the school website at www.holynameofjesus.com.

SECTION 11

FINANCIAL INFORMATION

FINANCIAL MEMBERSHIP

TUITION

Holy Name of Jesus School is operated as a faith community, and not as a commercial or secular enterprise. The school provides the opportunity for the development of faith-based values and for receiving instruction in the Gospel of Christ as part of its religious mission and ministry. Consequently, the payment of tuition may not be considered as creating a commercial or contractual relationship between the school and the parents/guardians that may be construed to create a legally enforceable obligation on the part of the school, or with its sponsoring ecclesiastical entities, to allow for continued enrollment, or to provide any level of educational services or to provide such services involuntarily.

The following financial procedures will be implemented for the current school year in an effort to ensure the fulfillment of the budget:

- Tuition is paid through an account with Simple Tuition Solutions
- Re-registration will occur each year during Catholic Schools Week (usually the last week in January). Re-registration will be activated when the first six (6) months of the current school year pledge agreement is fulfilled.
- The family tuition agreement must be current in order for 8th grade students to participate in the class trip and/or graduation activities.

GENERAL INFORMATION (CONT'D)

DIOCESE OF HARRISBURG CELL PHONE AND PERSONAL DEVICE POLICY

Purpose and Rationale

Catholic education is ordered toward the integral formation of the human person, within a community rooted in the Gospel. Use of cell phones and personal electronic devices during the school day often disrupts learning, diminishes interpersonal relationships, can undermine the development of virtue, discipline, and attentiveness and facilitates exposure to social media content that can be harmful to our students.

Therefore, a policy limiting student access to cell phones and personal electronic devices will support student well-being, minimize distractions and facilitate a safe, positive learning environment. This policy promotes respectful community life and safeguards the well-being of students in our Diocesan schools while cultivating:

- Respectful face-to-face communication
- Attentiveness to learning and prayer
- Responsible stewardship of technology
- Habits of self-discipline and moderation

Accordingly, this policy establishes clear expectations regarding the possession and use of cell phones and personal electronic devices by students during the school day.

General Policy

While students may bring a personal electronic device to school, during the day, bell-to-bell, students are prohibited from using cell phones or personal electronic devices as follows:

1. Devices must be powered off (not to silent or vibrate) and stored in accordance with school procedures
2. Cell phones and personal electronic devices (e.g. smart watches, earbuds) may not be used at any time during the school day unless explicit permission is granted by school administration
3. This policy does **not** apply to school-issued technology (e.g. Chromebooks, tablets, laptop computers) used for instructional purposes under faculty supervision.
4. Personal electronic devices/cell phones will be stored for the duration of the school day or until students otherwise leave the school grounds.

GENERAL INFORMATION (CONT'D)

Scope

This policy applies to all students enrolled in all grade levels at Diocesan Catholic schools during the entire school day including all classes, school activities, liturgies, communal

prayer, assemblies, lunch and recess periods and any other school-supervised activity unless otherwise specified..

Individual schools may not adopt policies that are less restrictive than this diocesan policy but may implement additional restrictions consistent with diocesan guidance.

Definitions

- Cell Phone: Any personal mobile device capable of voice communication, text messaging, internet access, photography, or video recording.
- Personal Electronic Device: Includes, but is not limited to, smartwatches, tablets, gaming devices, earbuds, or any device capable of digital communication or media use.
- School Day: The period beginning upon a student's arrival on campus and ending at dismissal, including transitions, lunch periods, and study halls.

Exceptions

The following limited exceptions may be permitted at the discretion of the president, principal, or designee:

1. Medical or Student Support Needs: Students with documented medical conditions or support plans (e.g. Instructional Support Plan, Medical Support Plan) requiring device access may be granted written exemptions.
2. Emergency Situations: In the event of an emergency, school administrators may authorize temporary use of cell phones under staff supervision.
3. Administrative Discretion: The president and principal or designee may, at their discretion, allow temporary and limited cell phone use, as particular circumstances may require.

The school and diocese are not responsible for lost, stolen, or damaged personal devices brought onto campus.

Parent and Guardian Communication

Parents and guardians are expected to support this policy by ensuring students understand and comply with device restrictions and communicating with students through school offices during the school day.

Diocese of Harrisburg Catholic Schools

Guidelines on the Use of Artificial Intelligence

Purpose and Rationale

The Diocese of Harrisburg Office of Catholic Education recognizes the growing role of Artificial Intelligence (AI) in society and education and the need for guidelines. As Pope Leo XIV states, “The challenge before us is not to stop digital innovation, but to guide it, to be aware of its ambivalent nature. It’s up to each of us to raise our voices in defense of humankind, so that these tools can truly be integrated by us as allies. This alliance is possible, but it needs to be based on three pillars: *responsibility, cooperation, and education.*” (Leo XIV, 2026) As Catholic educators, we are called to form students who are not only academically excellent but also morally grounded and prepared to engage the world with wisdom and faith. These guidelines are meant to create parameters for AI use in our Catholic-school communities.

Guiding Principles

Human Dignity and Moral Responsibility

- All use of AI must respect the inherent dignity of each person as created in the image and likeness of God.
- AI must supplement - not replace - human judgment, creativity, and relationships in education

Digital Citizenship and Ethics

- Students, faculty, and staff are expected to use AI tools with integrity, transparency, and responsibility.
- Misuse of AI for plagiarism, dishonesty, harassment, bullying, or harmful conduct is strictly prohibited.
- Decisions assisted by AI must always include human discernment, ensuring that technology serves, not governs, the educational mission.

GENERAL INFORMATION (CONT'D)

Privacy and Data Protection

- Use of AI in our Catholic schools must honor the privacy of all in our communities.

- Schools will maintain a list of approved AI tools that provide proper safety and data security.
- AI should be used to enhance learning, foster critical thinking, support creativity, and develop problem solving skills.
- Educators may use AI as an instructional aid, but not as a replacement for teacher evaluation of student work.
- Students should be taught AI literacy - understanding both its benefits and its limitations - within a Catholic worldview.

Acceptable Use of AI in Schools

- Students, with teacher permission, may use AI for:
 - Brainstorming ideas, study support, and skill practice.
 - Research assistance, provided sources are verified with proper citations.
 - Creative projects in which AI is one tool among many.
- Teachers may use AI for:
 - Lesson planning, differentiation, and instructional design.
 - Generating practice questions, rubrics, or supplemental materials.
 - Administrative tasks, provided student privacy is maintained.
 - Grading support - but not as the sole evaluator of student work.
- School leaders may use AI for:
 - Efficiency in administrative functions.
 - Support for planning and communications.
 - Reviewing AI educational tools to ensure alignment with these guidelines.

Prohibited Uses of AI

- Submission of AI-generated work as one's own (plagiarism).
- Using AI for cheating, academic dishonesty, or deception.
- Sharing with AI platforms any student, staff, or community member's PII (personally identifiable information) or sensitive information.
- Employing AI tools that promote immorality, bias, discrimination, bullying, or harassment, or content contrary to Catholic teaching.
- Using AI for surveillance or monitoring beyond educational and safety needs.

GENERAL INFORMATION (CONT'D)

Transparency and Accountability

- When AI is used to complete assignments, students must acknowledge and cite its use.
- Teachers must communicate clearly when and how AI is permitted in their classrooms.
- Schools must develop a consistent approach to the use of AI in the building, so that students are not uncertain or confused because of perceived or actual inconsistency among teachers.
- Schools will provide professional development for faculty and staff on AI.

Formation and Catholic Identity

- AI education will be integrated into lessons on digital citizenship and Theology of the Body.
- Students will be encouraged to reflect on the moral implications of AI and discern its place in their future vocations and careers.

Conclusion

The Diocese of Harrisburg Catholic Schools embrace technology as a gift when used wisely, ethically and in service to the human person. Artificial intelligence, when combined with faith and reason, can support our mission to form disciples who are academically prepared, morally responsible, and witnesses to Christ in the modern world.

Let us be inspired by Pope Leo's exhortation in *Magnifica Humanitas*: "Let us invest in education, beginning with ourselves! We all need to learn how to engage with the digital world in a human way, as an integral part of our education in the faith and in a life lived according to the Gospel." (Leo XIV, 2026, 238)

The Office of Catholic Education will revisit and revise these guidelines as needed.

SCHOOL PICTURES

Professional photographers will take individual photos of the students during the first half of the school year. Information regarding the purchase of pictures will be sent home prior to Picture Day. No parent/guardian is under any obligation to purchase school pictures. All students will be photographed for the yearbook whether or not pictures are being purchased.

Class pictures are taken in the Spring. School uniforms are to be worn for these pictures. Again, parents/guardians are under no obligation to purchase class pictures.

BIRTHDAYS

On a student's birthday, his/her name is announced to the school, and he/she is invited to pick up a birthday pencil from the Student Council mailbox. For students with birthdays during the summer months, half-birthdays are celebrated in January, February, and March.

Students are permitted to bring in a birthday treat to share with their classmates. Parents/guardians must check with the homeroom teacher regarding any possible food allergies so that no one is excluded from the treat. Deliveries of flowers and/or balloons to students are not permitted.

With regard to party invitations, we encourage parents to distribute them OUTSIDE of the school.

MAY PROCESSION

Each year Holy Name of Jesus School traditionally honors Mary through our annual May Procession.

SECTION 13

PARENTAL INVOLVEMENT

VOLUNTEERISM

As indicated in the Holy Name of Jesus School philosophy, parental involvement and cooperation play an important role in the successful implementation of our goals. We encourage all parents to participate in the school PTO, and opportunities to volunteer in school activities are listed on the PTO flyer which is sent home at the beginning of each school year.

To ensure the safety of all students, the Diocese of Harrisburg mandates that every volunteer completes the *Diocese of Harrisburg Youth Protection Online Training Course*. Additionally, the Diocese of Harrisburg and Pennsylvania State Law requires that prospective volunteers complete the *Pennsylvania State Police Clearance* and *Child Abuse Clearance* applications as well as sign the *Disclosure Statement*. Forms and online instructions are on the school website: www.holynameofjesus.com or parents may call the school office for assistance.

Clearances must be obtained and submitted to the school before participation in any school activity. Volunteers with approved clearances will receive a badge from the Diocese of Harrisburg. This badge must be displayed when volunteers are on school property or participating in school field trips. Clearances must be renewed every 36 months.

For the safety and security of our students, all volunteers must report to the school office upon arrival to show their badges and be checked into the Visitor Management System. Volunteers must also return to the office to be checked out when leaving the property. All volunteers must be signed out by 2:30pm.

PARENTAL INVOLVEMENT (CONT'D)

VISITORS TO THE SCHOOL

Parents are always welcome at school! To preserve the quality of education, however, interruptions should be kept to a minimum. We will not interrupt teachers while classes are in session to answer the phone or to confer with a parent/guardian. If a conference with your child's teacher is desired, parents/guardians should contact the teacher via email or written note.

For the safety and security of our students, all visitors **MUST** use the main entrance. **No one may enter using the doors of the primary building from 8:10am-3:30pm. No one may go directly to any classroom (including the gymnasium or art room) without approval from the office where clearances will be verified.**

PARENT-PRINCIPAL CONFERENCES

Parent/Principal conferences will be conducted as needed based upon principal and/or teacher determination.

The Principal is happy to meet and/or talk with parents regarding any concern **AFTER** the parent/guardian has discussed the situation with the homeroom teacher.

RIGHT TO AMEND

The school administration of Holy Name of Jesus School, in consultation with the Pastor, reserves the right to amend this handbook at any time. Parents/guardians will be notified of any changes in writing.

CONTACTING THE SCHOOL

Parents/guardians are welcome to contact the school office by telephone at 717-657-1704 with any questions or concerns.

Calls to teachers during regular school hours will be forwarded to the teacher's voicemail. The teacher should return your call within 48 hours. If the teacher does not contact the parent/guardian within this timeframe, parents/guardians should contact the school office. Parents/guardians may also contact the teacher via school email. Parents/guardians should refrain from contacting school personnel outside of school hours.
