# A YEAR OF IMPACT, A FUTURE OF FAITH

As we reflect on 2025, we are overwhelmed by the tangible evidence of God's faithfulness and the incredible moves of His Spirit across our church family. From launching new locations and expanding our reach into new communities, to the deep spiritual growth happening within our groups and network, it is clear that His hand is moving powerfully through every area of our ministry. While we celebrate the remarkable milestones and the selfless generosity that fueled this kingdom impact, we believe this is only the beginning. We step into 2026 with expectant hearts, eager to see even greater things God has planned as we continue to build His Kingdom together.
