

## Revolving Turntable

### 9' Revolving Turntable

Our clients have a wide range of staging needs, from intimate performances to full-scale experiential productions, and we meet them with an array of revolving stage options built for strength, size, and adaptability. Our 9' (3 meter) mid-size turntable features a sleek, low profile. Ideal for larger product or multi-product showcases, these stages are designed to impress. Whatever the vision, this workhorse delivers the action.
