

## Revolving Turntable

### 19' Revolving Turntable Heavy-Duty

Smartstage revolving stage platforms are built tough, yet pack tight for touring, and remain fast and easy to assemble by a small crew. We manufacture a wide range of sizes... from 6 inches to 90 feet. So our solutions have carried models, cars, bands, massive industrial equipment displays, custom art installations, and just about anything and everything in-between. If your team can imagine it, our revolving stages have helped bring it to life.
