## Together We Grow: Purpose & Community

On January 30th 2026, at the 47 annual business Awards reminded us that purpose, community, and impact are the true measures of success.

Being recognized as a Small Business of the Year runner-up among so many incredible, established businesses reaffirmed that this journey has never been just about a business t's about people and purpose.

This recognition is for our village:  
our students,  
the parents who trust us every day,  
and the community that continues to believe in  
and support what we're building.

We are officially one year in, heading into year two this June, and to be acknowledged at this level is truly beyond a blessing.

With the Northeast Polk Chamber of Commerce

I am humbled.

I am blessed.

And I am so proud of what we are building together.

As we continue to grow, our commitment remains the same to give back, to show up for our community, and to pour into the students and families who are the foundation of everything we do.

A heartfelt thank you to the Northeast Polk Chamber of Commerce for creating space to recognize and uplift small businesses in our community.

Congratulations to all of the winners your hard work and impact truly inspire.

This recognition isn't the end; it's confirmation that we're walking in purpose, surrounded by love. ✨
