Luis' Disney Graduation Celebration

Luis, who is diagnosed with [level 3 severe autism](#), loved his dream trip to **Disney World!** He spent weeks counting down the days, excited to meet his favorite characters and experience the magic of Disney for the very first time.

His mom shared, *"I have never seen him smile so much in my life! It was truly life-changing for Luis, and we are so grateful for the*

opportunity to make his dream come true. The unforgettable trip brought Luis and his family priceless memories and joy that continued long after their adventure.

Sunshine Foundation's First Dream

Every dream has a beginning, and Sunshine Foundation's journey started with one remarkable child named Bobby. In this heartfelt video, Bobby's parents and Sunshine Foundation founder Bill Sample share memories of the very first dream granted in 1976 and reflect on how that special experience helped inspire a mission that continues today. Their story is a touching reminder that one dream can spark hope, create lasting memories, and change countless lives.

Watch the story that started it all and inspired more than 44,000 dreams come true. ♥
