

Ultra Cryo and Recovery Secures Spot on the 2025 Inc. 500 List for the Second Consecutive Year

Auburndale, FL — August 13, 2025 — Ultra Cryo and Recovery is proud to announce that we have once again earned a place on the prestigious *Inc. 500* list, ranking among the fastest-growing private companies in America for the second year in a row. This back-to-back achievement is a rare and remarkable honor, underscoring our commitment to excellence, innovation, and sustainable growth.

The *Inc. 500* list celebrates entrepreneurial success and recognizes the most dynamic businesses driving the economy forward. Earning this distinction for a second consecutive year is a testament to the dedication of our team, the loyalty of our clients, and the strength of our vision.

“We are incredibly honored to make the *Inc. 500* list for the second year in a row,” said Terri Hooten, COO and Founder of Ultra Cryo and Recovery. “This milestone reflects the tireless work of our talented team and the unwavering support of our dedicated clients who trust us to help them achieve healthier, more fulfilling lives. Our success belongs to them as much as it does to us.”

In the past year, Ultra Cryo and Recovery has continued to reinvest in our growth by expanding our service offerings and implementing cutting-edge technologies that deliver even greater results for our clients. These advancements not only enhance the client experience but also give our customers a competitive edge in reaching their wellness goals.

We extend our deepest gratitude to every team member whose hard work makes these achievements possible, and to our clients for their trust and support. Above all, we give glory to God for guiding our journey and blessing our business. As a faith-based company, we believe our success is a reflection of His provision and purpose. Together, we are redefining what’s possible in the Cryotherapy Industry.

“Even though we’ve been in business for seven years, I feel like we’re just getting started,” stated Paul Hooten, CEO and Founder. “We’re on the edge of greatness, and I see us reaching even greater goals than we are today.”
