Financial Educator Richard P. Williams Releases Debut Book, *Your Financial Home*

New release introduces a six-level framework guiding readers from basic savings to legacy planning.

DAVENPORT, FL — August 3, 2026 — Financial educator and consultant Richard P. Williams today announces the release of his debut personal finance book, *Your Financial Home: Build the Foundation Before You Furnish the House*. The paperback edition is available on Amazon beginning August 7, 2026, following the Kindle release on August 5, 2026.

Written for individuals at any income level, *Your Financial Home* delivers a step-by-step framework to move readers from savings accounts to long-term wealth building. The 118-page book draws from Williams' 30 years across real estate, mortgage lending, and insurance.

"Most people try to build the roof before the foundation. This book exists to close that gap and let the structure do the emotional heavy lifting so you don't have to."

— Richard P. Williams, Author

THE SIX-LEVEL FINANCIAL FRAMEWORK

At the core of the book is Williams' practical pyramid framework:

- **1. Foundation:** Savings, emergency funds, and financial buckets.
- **2. Plan:** Income structure, baseline budgets, and cash flow tracking.
- **3. Protect:** Insurance coverage for life, health, disability, auto, and credit.
- **4. Prepare:** Home purchase readiness, college funding, and retirement strategy.
- **5. Pursuit:** Investments in stocks, bonds, real estate, and business ventures.
- **6. Provide:** Wills, trusts, beneficiary designations, and legacy plans.

Readers also gain access to *Your Financial Home: The Blueprint Workbook*, a free digital resource.
