FREQUENTLY ASKED QUESTIONS

WHAT HAPPENS IF IT RAINS?

The main lodge seats up to 100-120 people depending on seating style, but there is also room for a large tent on the grounds that can accommodate even more. The Discovery Center has a tent set up all the time that can seat about 40 people, and larger tents can also be rented from an ourside company.

DO WE NEED A WEDDING PLANNER?

Not necessarily, but it's recommended! The Discovery Center offers a 5% discount on the final cost if you use a certified planner and keep the planner in touch with staff. The planner is especially helpful coordinating rentals, set up and tear down, and more. (Of course, Distinctly Yours is happy to fill this need!)

CAN WE BRING IN OUR OWN CATERER AND ALCOHOL?

You can use any caterer or bring the food yourself, but this venue requires making sure that those caterers are licensed. Beer and wine requires a server to monitor who is being served, and hard liquor requires a licensed bartender.

IS THE VENUE ACCESSIBLE FOR GUESTS WITH LIMITED MOBILITY?

The lodge has two all-gender bathrooms, one of which is handicap accessible. For overnight guests, each on-site cabin sleeps 10 and has a full accessible bathroom and shower.

5 MILLION STARS.

Marsha and her team deserve 5 million stars. I actually was able to enjoy my wedding! They really delivered! I didn't worry about a single thing all day and just got to enjoy all the special moments. Our wedding day would not have been the same if they weren't there. We are forever grateful that they went above and beyond to make our day as special as possible. I will recommend Marsha and her team to everyone getting married!
