# SEPTEMBER 2025

#### **MONTHLY THEMES: BACK TO SCHOOL ALL ABOUT ME**

Our school year has begun, and we would like to remind you of a few things...

- Please send in weather-appropriate jackets for the cool mornings.
- If you haven't already, please sign up for the Class Do-Jo app. We often use it to communicate important information, closures, and best of all, pictures of your kiddos! It is also very handy when you need to message your child's teacher.
- Please check the menu, and if your child does not like what we are serving, send in lunch for your child.
- We are peanut-free, so please refrain from bringing peanut butter and tree nut products. We have a couple of kids with severe peanut allergies.
- Please have your child in by 10 am so we can get our numbers accurate for the day.
- > As always, feel free to email us anytime if you have questions or concerns.

#### LADDER OF ACHIEVEMENT:

Infants: Beau is crawling, and Michael is eating purees!

1's: Our class is doing well with their new routine! 2's: We would like to welcome all our new friends to our classroom! We cannot wait to learn new things and have lots of fun, new experiences with vou!

3's: Our school year is off to a great start! 4's: We like to welcome all our new friends and families to our Pre-K classroom! It has been a great start to our first week of the school year! 5's: Everyone has settled in well, and all the kids did great on assessments!

# **Upcoming 2025 Holidays**

Thanksgiving - Thurs. Nov 27th & Fri. Nov. 28th Christmas - Dec. 24th - 26th New Years - OPEN Dec. 31st until 3 pm

Closed Thurs. Jan 1st

☆  $\stackrel{\wedge}{\Rightarrow}$ ☆ If your child is sent home with a fever, they will be allowed to return once they have been fever-free for 24 hours without the use of medication. We will determine if a sibling needs to go home on a case-by-case basis, depending on the severity of symptoms and/or illness.

Regarding COVID-19, if someone tests positive, we will follow the CDC guidelines, which state that individuals with COVID-19 can return to normal activities when symptoms have improved for at least 24 hours and there is no fever, even without taking fever-reducing medications like acetaminophen or ibuprofen. If there is a spike in cases, we will return to the 5-day quarantine policy.

Diarrhea – If your child has three loose stools, we will call you to have your child dismissed. They may return after 24 hours without any loose stools. Conjunctivitis—If we notice any signs of conjunctivitis, we will call you to dismiss your child. He or she can return once on the prescribed medication for 24 hours.

### KIDS SAY THE FUNNIEST THINGS:

Infants: Leo loves to make funny sounds! Sabrina knows to bang on the door while a teacher is in the other room!

1's: Miss Amanda: "Everett, what are you doing?" Everett: "I don't even know!"

The girls use the half-circle blocks to 'call' each other!!!

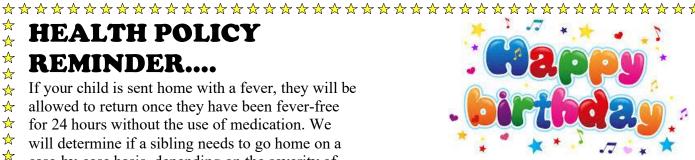

Cicely sits next to Miss Michelle and requests the bumblebee song every morning!

3's: As Rip got outside on the playground, he looked around and said, "Hey, where's the haystack!!??"

4's: Charlotte: "I'm in the fours with Ms. Ana, so I can go to the bathroom all by myself!"

Nolan C: "I'm big now. I can go everywhere by mvself!"

Landon L" "Oh boy! Now we have to go to work in the 4's!"

### **HELP WANTED**

HEALTH FORMS ARE REQUIRED TO BE UPDATED YEARLY BY THE STATE. Please ask your pediatrician for an updated form and immunization record at each physical.

- ➤ We always need scrap paper!
- > Stickers, treasure box, and sensory box items
- ➤ Infants could use extra bubbles!
- Parents of 1's, 2's, and 3's, please send in family photos for our family board. They love to learn about each other, and it's nice for your child to have a little piece of home in the classroom.
