

The Mt Rose Snowsports Education Foundation has a mission to support the Pursuit of Excellence for Athletes to develop Potential, Character, and Lifelong skills. We value the USSS Code of Conduct, Sportsmanship, Purpose, Integrity, Self-Discipline, and Resiliency among athletes. We have a commitment to support the Mt. Rose Ski Team, as our coaches develop athletes from our Free Ride and Race Programs.

The MRSEF board is comprised of Coaches, Parents, Masters Athletes, and Community members whose love of snow sports, giving back to our community and pride in our Mt. Rose Athletes go hand in hand.

It is with great pleasure that we offer our 2026/2027 scholarship opportunities to Mt. Rose Athletes to help defray the costs of competition and invitations to divisional, regional, or national training camps, as our athletes strive for perfection through improvement and demonstrate the values that our Foundation lives by. In the upcoming winter season, our goal is to offer scholarships to deserving athletes in the Mt Rose Race and Freeride competition programs.

Funds are to be used for Competition and Elite Invitational Training opportunities, to help cover Travel, Lift Tickets, Lodging and Entry Fees. These expenses will be reimbursed up to the value of the scholarship amount after valid receipts are presented to the Scholarship Treasurer. Funds will be available for expenses incurred during the 26/27 season. Funds not claimed via receipt documentation by July 31, 2027, will be returned to the reserves for Scholarships.

In order to be considered for these scholarships, we ask athletes to fill out the following application and provide the documents listed. Scholarship applications are due no later than December 4th, 2026. Please send completed applications to the following email address: scholarships@mrsef.org.

We thank you for your interest and support of our scholarship Program!
