At Revival Athletics we inspire and empower athletes through All-Star Cheerleading by fostering a strong sense of community, instilling progression training, and providing unwavering support. Our mission is to not only build skilled athletes, but also confident individuals who thrive in and out of our sport. Revival Athletics is built on faith and family, with community and athletic excellence at the forefront.

Revival Athletics was founded by Danielle and Tyler Gray, who bring a combined 30+ years of experience in the cheerleading industry. What began as a love for this sport and a shared passion for athletic

excellence, quickly grew into a vision to build a strong program where athletes are inspired, challenged, and supported. At Revival Athletics, we are committed to providing safe training systems, structured coaching, and a safe family friendly environment that feels like home.

Roster changes can and will happen throughout the season as our staff sees fit. Any roster change regarding your athlete will be communicated prior.

Creating strong and competitive teams is our priority. We want all of our athletes to be placed where they can contribute, shine, and perform the level safely. All areas of the scoresheet will be considered when placing each athlete.

NOVICE - PREP - ELITE

In competitive Allstar Cheer, we have 3 different tiers of programs to offer. There truly is a place for every athlete, no matter the skill level or experience!

Allstar Novice welcomes new or beginner athletes to the sport. This is a great option for those just beginning their competitive cheer journey. Novice teams are evaluated on a ranking system, and will perform 1.5 minute routines at local events. This program ensures the foundational skills are taught correctly.

Allstar Prep is for athletes ready to take the next step and advance beyond the Novice program. While still a space for growth and learning, Prep teams are considered a competitive category and require certain skills to be met

within a 2 minute routine. All Prep teams will be scored and compete against other teams at local events.

Allstar Elite is the highest performance program offered. Elite athletes will be expected to demonstrate technical mastery of skills within this program. Elite teams will perform 2.5 minute routines at local and out of state events. This program requires the largest commitment!

ATTENDANCE POLICY

Attendance is a huge part of team success.

We will have gym closure dates throughout the season to ensure time off for family vacations, holidays, and rest. Please plan according to the schedule provided below.

Athletes need to be in attendance at ALL practices, choreography sessions, showcases, and competition days. The 2026-2027 competition schedule will be released early this summer.

SUMMER ATTENDANCE: June 1st-August 7th

Athletes will not be penalized for practice absences during
June 1st - August 7th.

We ask that IF an athlete is missing a summer practice, an absence form is filled out and communications are made to the coaches prior. Absence forms can be found on our website.

IF AN ATHLETE IS MISSING MAJORITY OF THE SUMMER, THEIR TEAM PLACEMENT WILL NOT BE FINALIZED UNTIL THEY RETURN. MONTHLY FEES MUST BE PAID IN ORDER TO KEEP A ROSTER PLACEMENT.

Athletes must be present for team choreography! Our potential choreography timeframe is provided down below. A finalized choreography schedule will be sent out shortly after team announcements.

TRAINING AND COMPETITION SEASON ATTENDANCE: August 10th - May 3rd

During the training and competition months (mid August-May) athletes should not miss practice for an unexcused reason. Excused absences will be dealt with on a case by case basis, and athletes are only allotted 5 unexcused OR excused absences TOTAL during these months. Use them how you please!

During the month of APRIL, all practices will be mandatory as we prepare for our end of season events.

If an athlete misses multiple practices for an unexcused reason, this could affect their role or position on the team.

If an athlete misses more than the 5 absences allotted, they risk dismissal from the team. In order for our teams to be successful, we need all athletes and families to commit to the provided practice and competition schedule.

ILLNESS / INJURY

If an athlete is sick, they are still required to be at practice. If the athlete has a fever of 100.4 or higher, they will be asked to stay home. Proof or documentation will be required for our records. Doctor's notes must be provided for ongoing illnesses that prohibit participation. Other severe illnesses will be dealt with on a case by case basis.

Illness that requires attendance and/or participation includes but is not limited to: cough, allergies, stomach ache, nausea, headache, cold, menstrual cycle, etc.

Please know our staff will sit athletes out or have them mark parts of the routine if at all necessary and communicated prior. If a child is too sick to participate, it is preferred they attend practice to listen and watch.

If an athlete has an injury that prohibits them from participating in practice, a doctor's note with plan of action must be provided. If the injury is ongoing, it could affect your child's role/position on the team. Fill ins will be used as necessary.

Athletes who sit out of practice regularly due to illness or injury risk their role or position on the team. This is at the discretion of the team coaches and owners.

Keep in mind, this is a team sport. In cheerleading we don't have a bench of extra athletes to pull from. If the injury or illness is not extensive your athlete will be expected to participate in what is safe to do so.

TARDINESS

Arriving on time, dressed and ready for practices and competition days is crucial. If an athlete shows up late they risk missing parts of our stretch and dynamic warm up, which is important for safety and team cohesiveness.

If an athlete is going to be late to a practice, communications must be made to your coaches prior. Athletes who are repeatedly late risk position change, roster change, probation or dismissal from the team.

SHOWCASE AND COMPETITION DAYS

ALL showcase and competition performances are mandatory. If an athlete has to miss a performance for ANY reason, communications must be made to the coaches immediately. Owners and coaches have the right to use a fill in athlete if necessary.

If an athlete misses a performance for an unexcused reason, they will be dismissed from the team.

If an athlete has to miss a performance for an excused reason, the coaches must be made aware with enough notice to plan for a fill in athlete. If this happens on more than one occasion, it could affect your child's role or position on the team.

Athletes who miss practice for an unexcused reason within two weeks of a competition or showcase, will NOT be allowed to compete or perform.

Showcase and Competition Day procedures will be sent out in the Fall.

ABSENCE FORMS

Revival Athletics will provide an online absence form. This form must be filled out prior to the planned absence. These forms will get sent directly to your coaches. Please follow up with private communications to your coaches in addition to the form.

Forms must be filled out for both unexcused and excused absences.

Filling out the form does not automatically make it an excused absence. Please refer to the unexcused and excused list above.

NO SHOW FEE

If an athlete does not show up to a practice and no communications or forms are approved/submitted, *Revival Athletics will charge a **no show fee of \$25 to the card on file.***
