ABOUT THE PROGRAM

Our Tiny Novice program focuses on the basic fundamentals of cheerleading. Athletes will learn skills such as tumbling shapes and intro skills, jumps, dance, and more all while having fun and getting to perform on the competition stage!

All Tiny Novice teams will be led by our knowledgeable and expert coaching staff + junior coaches.

If enrollment is large enough, teams can and will be split by age.

Tiny Novice teams will follow the same policies as the rest of our program. Please read through our information packet.

TRYOUT ENROLLMENT

Plases know, by enrolling your athlete in our Tiny Novice tryouts, you are agreeing to a Tiny Novice team placement.

All athletes registered in the tiny novice program tryouts will be placed on one of our Tiny Novice teams.

If your athlete wants to still be considered for a Prep or Elite team, please enroll in our regular 3-7 year old evaluations. This does not guarantee your child will be placed on a prep or elite team.

Step 1: Read through the program information packet.

Step 2: Complete the required Tryout Registration JotForm.

Step 3: Create your iClassPro account and enroll your athlete in the Tiny Novice Tryouts.
(all 3 steps can be found on our website under the All-Star Cheer tab)
