Basic Funerals and Cremation Choices - Jennett Memorial Centre is located at 152 Bradford Street in Barrie, Ontario. As a Basic Funerals location, we offer families affordable options for cremation and burial. We continue to offer more traditional options such as a traditional funeral with visitation, memorial visitations & memorial services, informal memorial gatherings without a service, and graveside services. In addition, we specialize in direct cremations & burials without memorialization with optional choices for convenience and aftercare support.

We are a full-service funeral provider offering visitation rooms, funeral chapel, coffee lounge and after funeral reception facilities with catering available. Our facilities are accessible from a ramped entrance located directly off the parking area, and a main level washroom equipped with a baby change station is also available. We have spacious parking on-site and free street parking located on John Street. Jennett Memorial Centre has a full selection of caskets, urns, and burial vaults to suit your families' needs.

Pre-planning cremations or burial services in advance has become very common. Pre-arranging your funeral is a wise decision that will assist your family in the future. Jennett Memorial Centre provides complimentary funeral pre-planning for cremation & burial arrangements, allowing families to detail their funeral, cremation & burial wishes in advance. In addition, families wishing to protect the cost of the funeral from inflation may explore our many options for pre-funding their arrangements. One of our licensed funeral directors will explain in detail our pre-payment program. Our approach to pre-planning is to provide the information necessary to make an educated decision, presented in a pressure-free manner.

As always, feel free to contact the Jennett Memorial Centre in Barrie should you require additional information. Please also note that a funeral director is available 24 hours should a death occur outside of normal business hours or should you need to speak with someone. Our staff are committed to providing the best care possible, at any time.
