

The Weekly Newsletter of Mr. Courchane, SJE

March 13, 2026

“Live a life that reflects God’s love!”

Dear Parents and Students:

Despite the recent turnback to winter weather, the year continues to roll forward toward graduation.

8th Grade led the mass this week. Their homily skit was well received, and all participants did a great job expressing their Catholic Identity.

Today we are attending the Students in Christ Conference at the Miller High Life Theater. I am looking forward to this event with Bishop Haines and others. It should be a great opportunity for the 8th graders to learn more about their Catholic faith.

Reports cards went home in the red Thursday folder yesterday. If you have not already done so, please return the signed envelope as soon as possible.

Forward testing is next week. All students should get a good night’s sleep and a good breakfast each day.

What we are learning: We are exploring the Periodic Table of the Elements in science and in religion we are learning about the 4th Commandment and preparing our JOG presentations.

Important upcoming dates

3/17 – Wear Green Day

3/24 – March birthday non-uniform

Sincerely,

Mr. Courchane

8th Grade Homeroom
Middle School Science and Religion

“O, wind, if winter comes, can spring be far behind?”

Percy Bysshe Shelley
