

The Weekly Newsletter of Mr. Courchane, SJE

March 20, 2026

“Live a life that reflects God’s love!”

Dear Parents and Students:

We started the week unexpectedly at home as a “blizzard” hit Wisconsin. Well-rested students then began Forward testing on Tuesday. We hope to wrap it up this coming Monday.

We will soon be ordering 8th grade class sweatshirts. Once these arrive, they may be worn with uniform pants and skirts, except on Wednesday or other days on which there is mass.

What we are learning: We are exploring mechanical and electromagnetic waves in science and in religion we are learning about the Catholic social teachings and preparing our JOG presentations.

Students still have eleven days to meet the March reading goal. We can still get to 100% and reclaim the classroom reading trophy!

For those students needing service hours there will be one more fish fry at SJE on Friday, April 3.

Important upcoming dates

March 24 – March birthday non-uniform

April 2 – Early Dismissal, Holy Thursday

April 3 – 12 – Easter Break

April 30 – Feeding America field trip

May 11-12 – Jog Presentations

Sincerely,

Mr. Courchane

8th Grade Homeroom

Middle School Science and Religion

“The first day of spring is one thing, and the first spring day is another. The difference between them is sometimes as great as a month.”

Henry Van Dyke
