

The Weekly Newsletter of Mr. Courchane, SJE

March 27, 2026

“Live a life that reflects God’s love!”

Dear Parents and Students:

A letter is being sent home today. It provides directions on signing up for a time to see your child’s JOG presentations. Please return that letter at your earliest convenience.

The 8th grade has finished Forward testing. The class did a good job of remaining focused during this tedious task. Testing helps us tailor our learning programs to the needs of the students and provides us with a (blurry) snapshot of how they compare to their peers in education.

For those students needing service hours there will be one more fish fry at SJE on Friday, April 3.

What we are learning: Human solidarity and the common good in religion. Behavior of waves in science.

Important upcoming dates

April 2 – Early Dismissal, Holy Thursday

April 3 – 12 – Easter Break

April 30 – Feeding America field trip

May 11-12 – Jog Presentations

Sincerely,

Mr. Courchane

8th Grade Homeroom

Middle School Science and Religion

“Daffodils,
That come before the swallow dares, and take
The winds of March with beauty.”

— William Shakespeare
