“Live a life that reflects God’s love!”

Dear Parents and Students:

Last Friday we picked up litter with our 2nd Grade buddies. We collected almost 40 pounds of litter off our green space.

On Thursday the 7th and 8th grades took a field trip to Feeding America. There, they packed up over 6,000 pounds of food to help the food needy! Great job students!

The JOG schedule has been sent home with your student. If you are unsure of your time, or did not see the schedule, please email as soon as possible.

The May Crowning is May 15. An 8th grade student will crown Mary, as Mary is the Queen of Heaven and of the Apostles. The ceremony again will be during the school day this year.

8th Grade has received their class sweatshirts. These may be worn with uniform pants and over a uniform shirt every day except mass days.

What we are learning: In science we are learning about the properties of light. The students had a test on Tuesday, and I hope they shared their results with you. In religion we are learning about the communion of saints. We continue preparing for our JOG presentations.

Important upcoming dates

May 11-12 – Jog Presentations

May 15 – May Crowning

May 19 – 8th Grade Class Trip to Camp Edwards

May 21 – Gallery Night

Sincerely,

Mr. Courchane
