

# April NEWSLETTER

Week of: 4/13-4/17

## A Note From The Teacher

Congratulations to Sophia and Julissa, the winner and runner-up in our classroom spelling bee. They will move on to represent our grade in the all-school bee next week.

I've included a handout about digital citizenship in your child's Friday folder this week. If you utilize the discussion guide this weekend, please let me know on your child's Friday folder slip; return the slip to enter your child into a drawing for a free book!

## Reminders

I am still missing some permission slips/waivers for our field trip to Feeding America. Please return these forms by April 23 at the latest.

## What We Are Learning

This week, we continued our poetry unit by analyzing several poems. Students also practiced citing lines of poetry to support their analysis. The unit test will be during the last week of April.

In art class, we continued working on collages. They're coming along! Our next art project requires a lot of recycled materials. Please send various sizes of (clean) bottle caps and tissue boxes or similarly-sized cardboard boxes by next Wednesday, April 22.

## At Home

Please encourage your child to read to meet their April reading goal!
