## A Note From The Teacher

April draws to a close next week. So far, only three students have met their April reading goals. Please continue to encourage your child to read at home each day.

Sophia and Julissa represented our grade well in the all-school spelling bee.

## What We Are Learning

Students continued to practice citing textual evidence to support their analysis of poetry. They identified examples of figurative language, rhyme schemes, and sensory details. Ask your child which poem from the unit was their favorite; write the answer on their Friday folder slip and return it to enter your child into a drawing for a free book! Several students finished up their collages in art class then answered reflection questions about their project process.
