

7th Grade WEEKLY Newsletter

WEEK OF:
August 25-28

literacy

We spent the week building community and reviewing genres of literature. Today, students had a "book tasting" to sample realistic fiction novels for our first reading unit.

art

Students began working in groups on our first project: Paper Chain Pixel Art. They decided on an image and will work on using paper loops as "pixels" to create the image.

teacher note

It was great to see you at Supply Drop Off and Parent Night. I am looking forward to a great year with this 7th grade homeroom.

Please do not hesitate to contact me if you have any questions or concerns!
