A Note From The Teacher

All 8th grade students are required to take the High School Placement Test (HSPT) to be considered for admission at Catholic Memorial and most private high schools. The Pre-HSPT is an opportunity for 7th grade students to practice taking this test before it really counts in 8th grade. CMH is hosting an opportunity for 7th grade students to take the Pre-HSPT on March 7. Follow this [link](#) to learn more and to register your student.

What We Are Learning

This week, each student selected an event or memory from the past for his or her personal narrative. They planned out their narrative on a plot diagram poster and generated sensory details for each part of the narrative. Finally, we began drafting our narratives. Ask your child what their narrative is about, write the answer on your child's Friday folder slip, and their name will be entered into a drawing to win a free book!

At Home

Chat with your child about the saints we learned about this week!
