What We Are Learning

This week, students finished reading *Taking Sides* and took their analysis test. We also took the Star reading test and dedicated some class time to preparing for the Mass we will lead next Wednesday.

In art class, students continued to work on their agamographs. Students who completed their projects moved on to creating a classroom door decoration. You can see both on display during Open House!

At Home

Please encourage your child to read at least 20 minutes each day of the long weekend to work toward their January goal!
