A Note From The Teacher

It has been a pleasure being your child's homeroom, literacy, and art teacher this year. I hope you all have a safe and relaxing summer, and I look forward to seeing your child back next year for 8th grade!

Please encourage your child to read and to use IXL over the summer to help prevent "summer slide."

Reminders

Students may be out of uniform Monday-Thursday of next week. Please consult the [dress code](#).

On Friday, students should dress up in their "Sunday best" for our last Mass of the school year, which 7th grade will lead.

What We Are Learning

This week, students worked on their argumentative essays about teens and caffeine consumption. They researched the possible benefits and harmful effects of caffeine then made a claim about how much caffeine (if any) teens can consume each day.

In art class, students continued to create their food trucks.

At Home

Double check your house for any books that need to be returned to school!
