

K4 Weekly Newsletter

Themes and Activities

Theme: Creation

Weekly Focus:

Letter: P p

Number: 13

Shape: Rectangle

Color: Red

Religion:

We learned about the Church's liturgical calendar; the seasons of Advent, Christmas, Ordinary Time, Lent, and Easter. The calendar and corresponding colors help us learn, remember, and celebrate the life of Christ. We also talked about Vocations in the Church, like the call to be a priest, sister, or married.

Math: Counting forwards and backwards to 20 is the name of the game! This week we pretended to be rockets and counted down to blast-off. In math centers, students practiced writing 13 and making winter animals out of geo shapes.

Literacy: We learned about the letter P and the sound it makes. We read the Creation story from Genesis from the children's bible and made our very own creation book!

Announcements and Dates to Remember

Next week is Catholic Schools Week! Check out the flyer sent home to participate in the fun dress-up days next week! Also, please return the conference slip sent home yesterday. :) If you need to contact me, my email is mwoytych@sje.school.
