

# K4 Weekly Newsletter

## Themes and Activities

**Theme:** Author: Jan Brett  
**Letter:** B b  
**Number:** 14  
**Shape:** Rhombus  
**Color:** Purple

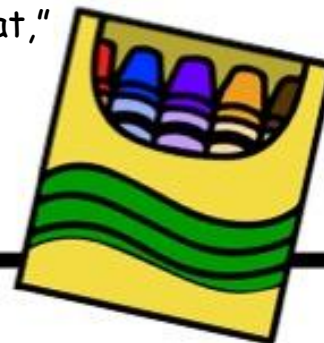

### Religion:

We read the story of Jesus weeping at hearing that Lazarus died and talked about how God gave us our feelings. They are not all of us, but are an important part of us. K4 learned that Jesus felt both sorrow and joy. We finished the story by reading that Jesus rose Lazarus from the dead.

**Science:** We learned what hibernation is and that some animals hibernate to survive the Winter.

**Math:** This week, we focused on AAB patterns and using cubes and body movements to make this pattern. We played number telephone to practice identifying numbers. I made 2 teams. I wrote a number down and each player has to whisper the number to their neighbor and whoever got the correct number to me first earned a point. They really enjoyed this game!

**Literacy:** We learned about the letter B and the sound it makes. We read stories by the famous author, Jan Brett. We read "The Hat," "The Mitten," and "Trouble with Trolls."

## Announcements and Dates to Remember

K4 enjoyed the excitement of Catholic Schools Week. :) And the excitement isn't over! On Monday, 2/9 will be our 100th Day of School celebration! Students may dress up like they are 100. Watch your email and child's folder for more 100th day themed announcements/activities! :) If you need to contact me, my email is [mwoytych@sje.school](mailto:mwoytych@sje.school).
