

# K4 Weekly Newsletter

## Themes and Activities

**Theme:** 100th Day/Valentine's Day/Review Week

**Letters:**

**B,C,D,E,F,G,H,I,J,L,O,P,Q,R,S,T,U**

**Numbers: 1-15**

**Religion:**

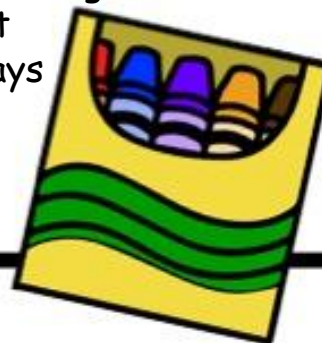

The week we read Deuteronomy 6:4-7 and Mark 12:28-31. God tells us that the greatest commandment is to love Him with our whole self and our neighbor as yourself. We took turns sharing how we are loved and how we can love God and others.

**Math:**

We finished our 100 number chart! Students danced and counted to 100. We reviewed numbers 1-15 by putting numbers in order. We played Valentine games during Math centers by counting and adding hearts to the love bucket! Students worked on identifying and creating patterns with foam hearts, too.

**Literacy:**

We reviewed letters we already learned by playing a variety of games. Some Valentine books we read were, "The Night Before Valentine's Day," "Sweet Hearts", and "The 12 Days of Valentine's."

## Announcements and Dates to Remember

100th Day was a blast! Next week on Thursday is our Field trip to see the play Tom Sawyer. We will return to school for lunch. If you need to contact me, my email is [mwoytych@sje.school](mailto:mwoytych@sje.school).

### IMPORTANT DATES:
