

K4 Weekly Newsletter

Themes and Activities

Theme: Dental Hygiene

Letter: R r

Number: 15

Shape: Oval

Color: Green

Religion: We learned the 4th commandment: to honor our father and mother. God gives us rules to help us be happy, just like our parents do. Our job is to listen to them.

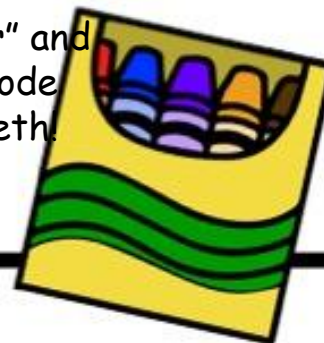

Jesus gives us an example of obedience to His parents when He goes with Mary and Joseph from the temple. (Lk 2:41-47)

Science: We learned about the parts of a tooth, what foods are good for our teeth, and how to keep teeth clean. We conducted an egg experiment and made predictions about what happens to an egg soaked in soda. When our eggs turned brown, it was

time to clean them up with toothpaste!

Math: We learned the number 15 and practiced identifying AB, AAB, and ABC patterns. We used beads, cubes, and body movement to make patterns!

Literacy: We learned about the letter R and the sound it makes. We began blending and writing simple "at" words together in centers. Storytime was filled with all things tooth-related! We read, "The Night Before the Dentist," "Tooth Trouble," "Baxter Meets a Visitor" and watched a Scishow episode on why we brush our teeth.

Announcements and Dates to Remember

Our Valentine exchange is next week on Thursday, 2/12. Please bring simple valentines to for your child to join in the fun! Conferences are also Thursday, 2/12. See my email or the hard copy of your conference time in your child's folder today. If you need to contact me, my email is mwoytych@sje.school.
